New Business

*We were awarded the FFN grant from FEM but I have not received the paperwork to sign and do not know the total of the grant. I have emailed Meredith a few times regarding this. SOOO I have paid for the Literacy Lawn Party from the FEM Community grant for now. I will re-evaluate this once I receive paperwork either I will reimburse the Community grant from the FFN grant or I will leave it as is and use the FFN grant for the March Math-Ness FFN.

Christmas Assistance Applications are being taken now. The Deadline to apply is next Wednesday Oct. 20th. I have had a total of 6 completed applications and 3 incomplete applications. I'm not sure what else I can do to get them to apply if they are in need. I have posted on our BES Facebook page. Sent letters home with every student and have called each family that applied last year to let them know the deadline is approaching. I am not alone in this boat though every other FRYSC is in the same boat. With very low applications.
