Dear Parents/Guardians:

**On Tuesday, April 9, Freshmen, Sophomores, and Juniors are required to take the PSAT/SAT test beginning promptly at 7:40 A.M. Seniors have a College and Career Day non-attendance day on April 9.**

**Freshmen and Sophomores will take the PSAT test, a standardized prep test for the SAT. Juniors throughout Illinois will participate in the SAT. There is no charge for these tests. PSATs provide data for underclassmen to prepare for their SATs. Both the SAT and the ACT are accepted at institutions of higher learning.**

**Students need two non-mechanical number # 2 pencils with erasers and an approved calculator. Phones/electronic devices are prohibited in testing areas. HHS will provide students water, granola bars, and fruit snacks during breaks.**

**What can you do to prepare your student?**

- Practice with Kahn Academy at home- [www.KhanAcademy.org/SAT](http://www.KhanAcademy.org/SAT).
- Students need rest, a healthy breakfast, and a good attitude for testing
- Encourage your student to give their best on test day.

We have shared with students the importance of the SAT in relationship to college admission, scholarship endowment, and career opportunities. To help students prepare, Juniors have accessed Khan Academy in their classes. This free, online preparation suite is recommended by College Board.

As is our past practice, students may be released after testing, if they have transportation and a signed permission slip (See attached letter). Students without a signed parent note will stay in the gym or have study hall in the commons for the rest of the day. Most testing will conclude around 1:00 P.M.

**MAKE UP TESTS REQUIRED-** The PSAT/SAT MAKE-UP TEST is TUESDAY, April 23rd. Freshman, Sophomores, and Juniors not present on April 9th are required to test on this day.

Thank you in advance for your cooperation and please contact us with questions, concerns, or feedback.

Educationally Yours,

*Dr. Chris Becker*  
Principal
