## American Heart Association Heart Hero Challenge a Success

Congratulations to all the Heart Heroes that helped make this year's American Heart Association Heart Hero Challenge a success. The school raised over \$5,000. All students will jump and celebrate the victory with inflatables on March 27 during their P.E. time. The P.E. program received a \$300 certificate for equipment and \$200 cash for the P.E. program. Thank you again for supporting the American Heart Association and Haven Grade School P.E. program.

## Nurse Notes

The Health Department will be here on Tuesday, April 9 from 1:30-4:00 to administer the required Tdap immunization to any 6th grade student that is needing one. (5 doses are required. Booster dose of Tdap is required at 7th grade if more than 2 years since previous dose of TD.) Forms were sent home last week. Any parent interested must fill out the entire form and sign the bottom for their student to be eligible. Parents do not need to be present as long as the form is complete.
