

## **Kindergarten Students**

Kindergarten students must have a third grade or older sibling with them when they leave their designated stop. If an older student is not available, a parent or guardian must be in view for the driver/monitor to release the kindergarten student. If your child is not claimed at the stop, driver will keep the student on the bus and return them to school after contacting the school.

Parents:

- a) Show your child landmarks that identify their bus stop.
- b) Meet the bus every day for kindergarteners.
- c) Reinforce to your child that they are never to get off the bus unless they are certain they are at the correct stop.
