

# ***CPMS Announcements***

***Friday, March 15th***

Today during homeroom we will wrap up our March Kindness activities with hopes that the lessons and ideas will carry over into our everyday lives at CPMS. We will focus on the quote: "Be kind, for everyone is fighting a hard battle." Congratulations to the following homerooms for winning the Ring Pop Kindness Challenge: Krusty Coles, McCrory's Maniacs, McMullen's Dreamers, Evans' So Extras, Proctor's PopTarts, and Claeysen Beams. Those homerooms have earned a popcorn and basketball celebration during homeroom today. Congratulations to the entire school for purchasing over 4,000 Ring Pops and Blow Pops in four days! As a school we will be able to donate over \$1000 to help area youth through a Johnson County charity. Everyone will get a chance to vote for local charity today during homeroom. Way to go, CPMS!

Academic Team members interested in purchasing an Academic Team Shirt for 2019 need to bring a payment of \$15 to Mr. Nobbe before the end of today.

Show Choir Students: Please remember there is NO rehearsal after school today we will start back on Monday April 1st.

Attention English Academic Team: Remember that today's meeting will go until 5:30 PM. Be ready to do your Quiz Off!

Today is a hat and flip flop day as we get ready for spring break. The money collected will be donated to Pennies for Patients which support blood cancer research. We encourage everyone to participate and please pay your 1st period teacher on Friday.

Finally students we want you to have a relaxing and fun spring break, but please remember that it doesn't begin until you arrive home safely from school today. Please continue to follow the Warrior Way at school today and on the buses this afternoon. Any discipline issues will be addressed immediately today and could affect your return after Spring Break. Let's make great decision today, show kindness to each other and maintain appropriate behavior throughout the day so that you can enjoy your spring break!
