RE: Board of Education Report

1. Testing

IAR State Testing was March 11-18. Students put forth a lot of effort and supported one another by wearing the same colored shirts this week. Science testing for 5th grade will be in April as well take the PE fitness test.

2. IPA Student Recognition

The Illinois Principal's Association had a breakfast March 15 at Greenville College to honor area students for attitude, effort, and achievement. Chloe Schalk was the elementary student selected for the student recognition breakfast. Chloe is a 3rd grade student in Mrs.Bohlen's class. She has shown academic growth and always has a positive attitude. Congratulations to Chloe!

3. 5K

Fifth grade participation

The 5K Race will be March 22 with breakfast provided by students from Ms.Stone's class. Our staff and students put a lot of time and effort into organizing and training. All students, parents, and teachers work hard to prepare for the race and always look forward to this event. Thank you to all staff members who make this event possible every year and encourage the students to exercise and lead healthier lives.

4. Thank you to the JHS Choir

The Junior High Choir grades 6-8 used money from their fundraiser this year to purchase playground balls for the students to use during recess. Thank you to all the students who raised the money for this kind donation! It is very much appreciated!
