Child Prescreening and Early Registration	4/17

Respect other people's feelings. It might mean nothing to you, but it could mean everything to them.

Dear Families and Students,

Next week our district will host a community meeting to discuss ALICE training. ALICE is a training program for school safety and lockdowns, and it stands for Alert, Lockdown, Inform, Counter, & Evacuate. This program is endorsed by federal and state law enforcement authorities, and is used by several other school districts in our region. White Pass Schools will begin ALICE training this spring, and we wanted to provide an opportunity to share with our community what that training will look like. Dept. Kangas of the Lewis County Sheriff's Office and district staff will be on hand to present information and answer questions. The meeting is at 6:30pm on Wednesday, March 20th, in the High School Commons. I hope to see you there.

In other news, Books and Blankets was a big success this week! We had 190 folks attend, and we were treated to a fantastic performance by Gansango Music & Dance from Seattle. And, everybody went home with a free book! Big thanks to Mrs. Kruger, Mrs. Guy, and Mary Prophit for organizing, and to all the volunteers who helped make the night a success, and to our friends at Gansango, and to everyone who attended to support literacy and the arts.

Finally, please put on your Sherlock Holmes hats and keep your eyes open—our black microphone mysteriously disappeared after Books and Blankets on Tuesday. If you happen to see it around, please let us know, or drop it by the school. I'll even throw in a free shout-out in next week's Panther Press for whoever can help us find it!

Kind regards,

Nathan Coutsoubos
 Principal, White Pass Elementary School
