Thank You For Joining Us for our First Feasibility Forum!

We would like to thank those who joined us at our first of four community forums Wednesday evening at MacArthur Elementary School. These forums are opportunities for members of the community to share their thoughts and insights with members of district leadership and Board of Education around information gathered through the review of our buildings to determine capacity and their conditions to educate our students.

Three additional forums will be held from 5:30 - 7 p.m. on the following dates and locations.

Sept. 27 @ First Ward Senior Center, 226 Clinton St.

Sept. 29 @ Carlisle Apartments, 150 Moeller St.

Oct. 3 @ NoMa, 85 Walnut St.

For planning purposes, we ask you to please pre-register. While pre-registration is not required, this will help assist in providing adequate space and materials for the meeting.
