Dr. Ronald G. Taylor, Superintendent
Willingboro School District
440 Beverly Rancocas Rd
Willingboro, NJ 08046

Dear Dr. Taylor,

On behalf of the New Jersey Department of Education, thank you for contributing to the success of this year’s Inaugural Black History Month Celebration, “Breaking Barriers Through Education: Our Heritage, Our Future.”

It is our hope that the program provided your students with a deeper understanding of the positive impact that African Americans had in shaping our state, country and world. Your students were encouraged to actively celebrate the diversity that exists within your schools and community.

We hope your students enjoyed the program, and we look forward to seeing Willingboro School District at future events hosted by the New Jersey Department of Education.

Sincerely,
