2019 ACCOUNTING BUSINESS EDUCATIONAL GRANT

Educational Grant To Be Awarded: Grant Application Must Be Received By: April 19, 2019

Grants of \$500 per college semester (*maximum 2 semesters per student per year for 4 years*) will be awarded to selected students attending college beginning the Fall 2019 school year. The scholarship will be extended for a fifth year for accounting students who enroll in a 5 year program that qualifies them to sit for the CPA exam. These students will need to submit the program documentation to receive the additional payment for the fifth year.

Name of Applicant: _____ Date: _____

Address: _____ City: _____

State: _____ Zip Code: _____

Tel: _____ Email Address: _____

High School currently attending:

College/ University planning to attend Fall 2019: _____

(if you are still undecided about what college you will attend, please indicate)

Major: _____

Criteria for Application:

- Applicant must be a High School Senior who will declare a major in Accounting/Business in an accredited four-year college or university.
- Applicant must be a U.S. Citizen or Permanent Resident (Green Card Holder).

Applicants Must Submit the Following:

1. A copy of this form signed by both student and parent/legal guardian.
2. Two letters of recommendation. The letters must be from a Teacher, Coach, Employer or Clergy, Etc. Family members and friends cannot submit letters of recommendation.
3. High School Transcript reflecting a GPA in junior and senior year of 2.75 or better out of a 4.0 scale.
4. College or University letter of acceptance.
5. Resume of extracurricular activities, work experience, honors and achievements.
6. An essay of at least 500 words. You may use your College Application Essay or answer the below question:

"Why do you feel that the accounting/business profession may be suitable for you? Explain past experiences, challenges, thoughts, and future goals that bring you to believe that you could succeed in accounting/business."

7. Application and documents to be sent in by April 19, 2019

Additional requirements for winning applicants:

1. The selected student is required to maintain a GPA of 2.75.
2. Beginning with the spring of 2019 and each semester thereafter the student must submit the College or University's official transcript.
3. The student must be enrolled in an accredited college or university as a full-time student carrying a minimum of 12 credits per semester.
4. Grant recipients will sign a disclosure agreement allowing Citrin Cooperman & Company, LLP to use their photograph and information (i.e. name, college attending, demographic information such as gender, age, etc.) for press releases to the local newspapers and to be published in the firm's marketing material.
5. Grants will be disbursed to the student annually in two payments: \$500 during the Fall Term and \$500 during the Spring Term.
