Welcome to the Ridgefield School District!

The following information and Enrollment Checklist will assist you in enrolling your child for attendance in the Ridgefield School District. By providing all of the listed forms and documents, you can assure that your child's registration will be processed smoothly. Incomplete applications cannot be accepted and will delay your student's enrollment.

New students are assigned to their resident school based on Residency Verification. To determine your resident school, refer to the Clark County GIS webpage or call 360-619-1309. Elementary students requesting to attend another elementary school within the Ridgefield School District boundaries, must have an approved In-District Transfer Form. A non-resident student who would like to request a transfer into a Ridgefield School, must have an approved Choice Transfer form. Refer to the Boundaries section of the Ridgefield School District website for additional information regarding In-District Transfers and Choice Transfers.

RESIDENCY VERIFICATION AFFIDAVIT FORM

(A Residency Verification Form must be submitted for each enrolling child. This form must be completed by the child’s parent or legal guardian and submitted with the required Proof of Residency documents.)

Washington law requires that a school be open to the admission of all persons between the ages of 5 and 21 residing within the boundaries of that school. (RCW 28A.225.160). The Ridgefield School District (“District”) is required to take appropriate steps to ensure that students attending its schools satisfy applicable laws. Students are assigned to their attendance area school based on the information provided on this form. ENROLLMENT WILL NOT BE PROCESSED WITHOUT RESIDENCY VERIFICATION.

I acknowledge and agree to the following: (Initial each statement below)

- My child (listed above) resides with me at least four (4) nights per week at the physical address listed above, which is my primary residence.
- I agree to notify the Ridgefield School District within (5) days if I change my residence or if my enrolled student’s address changes, either within or outside of the Ridgefield School District.
- Home visitation and/or other residency verification by a District official may be conducted to confirm current residency status.
- The District will investigate all cases where it has reason to believe that residency status has changed and/or false information has been provided. This may include the use of private investigators to verify residency status.
- Investigations that reveal students have enrolled on the basis of providing false information will be cause for revocation of the student’s school assignment and withdrawal from the District.
- I have attached the following two (2) *Proof of Residency documents which include my name and residential address:
  - Current payroll check stub with name and address
  - Government issued check or correspondence
  - Public agency documents (DSHS, courts, etc.)

MILITARY PARENT or GUARDIAN AFFILIATION

Beginning the 2016-17 school year, the state legislature passed a law requiring Washington State public schools to collect information on military affiliation beginning with the 2016–17 school year. ([http://app.leg.wa.gov/billinfo/summary.aspx?bill=5163&year=2015](http://app.leg.wa.gov/billinfo/summary.aspx?bill=5163&year=2015)) Reasons for collection of the data include:

1. The legislature finds that, nationally, nearly two million students are from military families, where one or more parent or guardian serves in the United States armed forces, reserves, or national guard. There are approximately one hundred thirty-six thousand military families in Washington state.

2. The legislature further finds that a United States government accountability office study in 2011 identified that it is not possible to monitor educational outcomes for students from military families due to the lack of a student identifier in state educational data systems. Such an identifier is needed to allow educators and policymakers to monitor critical elements of education success, including academic progress and proficiency, special and advanced program participation, mobility and dropout rates, and patterns over time across states and school districts. Reliable information about student performance will assist educators in more effectively transitioning students to a new school and enable school districts to discover and implement best practices. ([2015 c 210 § 1.](http://app.leg.wa.gov/billinfo/summary.aspx?bill=5163&year=2015))

Mark all that apply:

- A = US Armed Forces, active duty
- G = National Guard Member
- M = More than one family member currently serving in Armed Forces or National Guard
- N = No affiliation
- R = US Armed Forces Reserves
- X = Data Not Available
- Z = No response/refused to state

**Right to Translation and Interpretation Services**
Indicate your language preference so we can provide an interpreter or translated documents, free of charge, when you need them.

All parents have the right to information about their child’s education in a language they understand.

1. In what language(s) would your family prefer to communicate with the school?

**Eligibility for Language Development Support**
Information about the student’s language helps us identify students who qualify for support to develop the language skills necessary for success in school. Testing may be necessary to determine if language supports are needed.

2. What language did your child learn first?

3. What language does your child use the most at home?

4. What is the primary language used in the home, regardless of the language spoken by your child?

5. Has your child received English language development support in a previous school? Yes___ No___ Don’t Know___

**Prior Education**
Your responses about your child’s birth country and previous education:

2. Give us information about the knowledge and skills your child is bringing to school.

3. May enable the school district to receive additional federal funding to provide support to your child.

This form is not used to identify students’ immigration status.

- In what country was your child born? __________________
- Has your child ever received formal education outside of the United States? (Kindergarten – 12th grade) _____Yes _____No
  - If yes: Number of months: ____________
  - Language of instruction: _______________
- When did your child first attend a school in the United States? (Kindergarten – 12th grade)
  - Month Day Year

Thank you for providing the information needed on the Home Language Survey. Contact your school district if you have further questions about this form or about services available at your child’s school.

This form is available in multiple languages on [http://www.k12.wa.us/MigrantBilingual/HomeLanguage.aspx](http://www.k12.wa.us/MigrantBilingual/HomeLanguage.aspx). A response that includes a language other than English to question #2 OR question #3 triggers English language proficiency placement testing. Responses to questions #1 or #4 of a language other than English could prompt further conversation with the family to ensure that #2 and #3 were clearly understood. “Formal education” in #7 does not include refugee camps or other unaccredited educational programs for children.

Instructions for completing the Certificate of Immunization Status (CIS): printing it from the Immunization Information System (IIS) or filling it in by hand.

To print with immunization information filled in: Ask if your healthcare provider’s office enters immunizations into the WA Immunization Information System (Washington’s statewide database). If they do, ask them to print the CIS from the IIS and your child’s immunization information will fill in automatically. You can also print a CIS at home by signing up and logging into MyIR at https://wa.myir.net. If your provider doesn’t use the IIS, email or call the Department of Health to get a copy of your child’s CIS: waiisrecords@doh.wa.gov or 1-866-397-0337.

To fill out the form by hand:

#1 Print your child’s name, birthdate, sex, and sign your name where indicated on page one.

#2 Vaccine information: Write the date of each vaccine dose received in the date columns (as MM/DD/YY). If your child receives a combination vaccine (one shot that protects against several diseases), use the Reference Guides below to record each vaccine correctly. For example, record Pediarix under Diphtheria, Tetanus, Pertussis as DTaP, Hepatitis B as Hep B, and Polio as IPV.

#3 History of Varicella Disease: If your child had chickenpox (varicella) disease and not the vaccine, ask your healthcare provider to check the box in the Documentation of Disease Immunity section and sign the form.

#4 Documentation of Disease Immunity: If your child can show positive immunity by blood test (titer) and has not had the vaccine, have your healthcare provider check the boxes for the appropriate disease in the Documentation of Disease Immunity box, and sign and date the form. You must provide lab reports with this CIS.

AUTOMATED COMMUNICATIONS (SCHOOLMESSENGER) NOTIFICATION

Consent to Receive Automated Communications

The Ridgefield School District (“District”) uses SchoolMessenger, an automated system, to make important school-related announcements in the form of calls and text messages to the cellphone and residential telephone numbers of parents/guardians and students. Those communications include messages about snow days, other school cancellations, student absences, and school events.

*By providing telephone numbers on and signing student registration paperwork, you consent to receive automated text messages and calls from the District at those numbers.* You may opt not to receive such automated messages (other than emergency messages) by submitting the form below. Submit form to Maggie Butler at the District Office, or by providing notice to Maggie Butler at 360-619-1309 or maggie.butler@ridgefieldsd.org.

---

Request Not to Receive Automated Messages

Although the District requests that parents/guardians and students consent to receive automated messages as described above by providing telephone contact information on registration paperwork, you may opt out of receiving automated text messages and phone calls (other than emergency messages) by completing the information below:

I opt out of receiving automated (check all that apply) ☐ text messages ☐ telephone calls from the District at the following numbers (list all numbers that apply, including area codes):

1. _____-______________ ☐ Cellphone ☐ Residential line
2. _____-______________ ☐ Cellphone ☐ Residential line
3. _____-______________ ☐ Cellphone ☐ Residential line
4. _____-______________ ☐ Cellphone ☐ Residential line

Your decision to opt out will be effective unless you notify us otherwise in writing. Note that the law allows the District to make automated emergency calls (such as about school lock downs) to telephone numbers you have provided regardless of whether you opt out of other messages.

Please return this form to Maggie Butler.
You may also opt out by contacting Maggie Butler at 360-619-1309 or maggie.butler@ridgefieldsd.org.

PARENTAL RIGHTS UNDER THE FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT (FERPA)

ANNUAL NOTICE

The Family Educational Rights and Privacy Act (FERPA), a federal law, affords parents or guardians (and students over 18 years of age or who attend postsecondary educational institutions, known as “eligible students”) certain rights with respect to their student’s education records. Under FERPA, parents/guardians or eligible students have a right to:

1. Inspect and review the student’s education records within 45 days after the day the District receives a request for access. Parents or eligible students who wish to inspect their child’s or their education records should submit to the student’s school a written request that identifies the record(s) they wish to inspect. The records custodian will make arrangements for access and notify the parent or eligible student of the time and place where the records may be inspected.

2. Request the amendment of the student’s education records that the parent or eligible student believes are inaccurate or misleading, or otherwise in violation of the student’s privacy rights under FERPA. Parents or eligible students who wish to ask the District to amend their child’s or their education record should write the school principal, clearly identify the part of the record they want changed, and specify why it should be changed. If the District decides not to amend the record as requested by the parent or eligible student, the District will notify the parent or eligible student of the decision and of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent or eligible student when notified of the right to a hearing.

3. Provide written consent before the school discloses personally identifiable information (PII) from the student’s education records, except to the extent that FERPA authorizes disclosure without consent (such as for “directory information,” described below).

One exception, which permits disclosure without consent, is disclosure to school officials with legitimate educational interests. The criteria for determining who constitutes a school official and what constitutes a legitimate educational interest must be set forth in the school’s or school district’s annual notification for FERPA rights. A school official typically includes a person employed by the school or school district as an administrator, supervisor, instructor, or support staff member (including health or medical staff and law enforcement unit personnel) or a person serving on the school board. A school official also may include a volunteer, contractor, or consultant who, while not employed by the school, performs an institutional service or function for which the school would otherwise use its own employees and who is under the direct control of the school with respect to the use and maintenance of PII from education records, such as an attorney, auditor, medical consultant, or therapist; a parent or student volunteering to serve on an official committee, such as a disciplinary or grievance committee; or a parent, student, or other volunteer assisting another school official in performing his or her tasks. A school official typically has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility.
Upon request, the District discloses educational records without consent to officials of another school district in which a student seeks or intends to enroll, or is already enrolled if the disclosure is for purposes of the student’s enrollment or transfer.

Requests from prospective employers to review the transcript of a student will be honored only upon a signed release of the parent/guardian or eligible student.

4. File a complaint with the U.S. Department of Education concerning alleged failures by the District to comply with the requirements of FERPA. The name and address of the Office that administers FERPA is:

   Family Policy Compliance Office
   U.S. Department of Education
   400 Maryland Avenue S.W.
   Washington, D.C. 20202

**Directory Information**

FERPA requires that the District, with certain exceptions, obtain your written consent prior to the disclosure of personally identifiable information from your child’s education records. However, the District may disclose appropriately designated “directory information” without written consent, unless you have advised the District to the contrary in accordance with District Procedure 3231P. The District has designated the following information as directory information:

Student name; parent/guardian name(s); address; telephone number; electronic mail (email) address; photograph; video; images; audio recordings; date and place of birth; dates of attendance; grade level; participation in officially recognized activities and sports; weight and height of members of athletic teams; degrees, honors, and awards received; and the most recent educational agency or institution attended.

The District may release directory information to anyone, including but not limited to parent-teacher organizations, the media, colleges and universities, the military, youth groups, and scholarship grantors, unless you tell us that you do not want the information released (see below for instructions on how to opt out of sharing directory information).

The actual residential addresses of participants in the state Address Confidentiality Program will not be available for release as directory information. Social Security numbers, student identification numbers (with authentication factors such as a secret password or personal identification number), or other personally identifiable information are not considered directory information.

The purpose of directory information is to allow the District to include information from a student’s education records in certain school publications and to promote the District’s education mission. For example, directory information may be used for purposes including, but not limited to:

- District, school, or class newsletters and other printed or electronic official publications;
- Articles on the District’s website, including blogs;
- District-operated social media pages, such as on Facebook, Instagram, or Twitter;
- News releases to area newspapers, TV stations, or other media;

• A playbill, showing a student’s role in a drama production;
• The annual yearbook;
• Honor roll or other recognition lists;
• Graduation programs; and
• Sports activity sheets, such as for wrestling, showing weight and height of team members.

In addition, two federal laws require local educational agencies (LEAs) receiving assistance under the Elementary and Secondary Education Act of 1965 (ESEA) to provide military recruiters, upon request, with three directory information categories—names, addresses, and telephone listings—unless parents have asked the LEA not to disclose this information without their prior consent.

Instructions to Request Opt-Out of Directory Information

Under FERPA, you have the right to opt out of disclosure of any or all directory information, as described above, regarding your student. If you wish to opt out, you must notify the District in writing no later than August 23rd of the current school year, or at the time of enrollment if after August 23rd. A request to opt out lasts for the current year only; a new request is required each year. To opt out, complete and return the District form entitled “Request to Opt Out of FERPA Directory Information.” In the alternative, you may provide a dated, written statement (typed or legibly printed) that includes all of the following information:

- Full name of student;
- Grade level for the current school year;
- Specific item(s) that you do not want to be considered as “directory information” for your child for the current school year;
- If applicable, a specific request of non-disclosure of information to military recruiters;
- Parent/guardian or eligible student name; and
- Parent/guardian or eligible signature.

The opt-out form or other written request to opt-out of directory information must be delivered to the following office:

Maggie Butler, Ridgefield School District
510 Pioneer Street Ridgefield, WA 98642

NOTE: Additional information about the District’s policies and procedures for maintenance and disclosure of student records is available in Board of Directors Policy 3231 and Procedure 3231P, which are available on the District’s website at www.ridgefieldsd.org.

---

1 These laws are: Section 9528 of the ESEA (20 U.S.C. 7908), as amended by the No Child Left Behind Act of 2001 (P.L. 107-110), the education bill, and 10 U.S.C. 503, as amended by section 544, the National Defense Authorization Act for Fiscal Year 2002 (P.L. 107-107).
REQUEST TO OPT OUT OF FERPA DIRECTORY INFORMATION 2019-2020

As described in the District’s annual notification provided to families (entitled “Parental Rights Under the Family Educational Rights and Privacy Act (FERPA)” and District Procedure 3231P, parents/guardians (or eligible students) have the right to request that the District not disclose information from their student’s education records designated as “directory information” without prior consent.

If you consent to the District sharing directory information about your student, there is no need to take any action. However, if you wish to opt out pursuant to FERPA, please complete this form and return it to your child’s school no later than August 23, 2019, or at the time of enrollment if after August 23rd. If this form is not completed and filed with the District, the District may disclose directory information about your student for the remainder of the current academic year without your prior consent as described in the annual notice. You may revoke this opt-out form in writing by filing consent to disclosure of directory information with the school office.

Technology/Internet Opt-Out Form

Ridgefield School District (the District) recognizes that our students must be prepared to live and work in a digital world. In order to facilitate this, the District utilizes a variety of technology to provide students with tools to help them develop research, collaboration, fluency and other technology skills. In order to provide these sorts of opportunities the District operates a networked infrastructure that includes access to local (in-District) resources as well as the Internet, student email, and online educational resources. The District has determined that access to these resources is necessary to provide the type of education that gives its students the best chance to be successful in work and life. The responsible use of these resources are outlined in the School Board Procedure 2022P.

Accounts and applications that are part of daily student use include but are not limited to:

- **Active Directory:** All students are provided with an Active Directory account that allows them to log onto District devices in order to access networked services. In addition, each student is given space on a file storage system to save their work. Active Directory accounts also allow the District to grant or limit access to resources both within the district and to Internet-based applications.

- **Ridgefield School District’s G Suite (Google Apps for Education) Environment:** This education-focused G-Suite environment is hosted by Google, and managed by the District. This collection of online applications provides students with a Google email account, calendar, and access to Google Drive, where students can create, share, and publish documents, spreadsheets, presentations, and other artifacts of their learning. The District creates and manages user accounts; manages access to applications and email based on grade level organizations; and manages permissions. Student email is generally limited to sending and receiving messages within the District Google domain. In cases where outside communication is warranted, it is tightly controlled to include only necessary outside email users or domains.

- **Online Curriculum Systems:** Many recently adopted curricula are fully online or include a component of online content. In many cases these require individual user accounts. The District creates these accounts and does not provide any information that does not conform with FERPA or other privacy directives. District teaching staff also utilize YouTube videos in their classrooms. However, YouTube content is restricted teacher-approved or educational content. Other online resources where students will participate is reviewed by the District to ensure that it adheres to privacy laws and does not contain objectionable content.

- **Assessments:** The District utilizes an online assessment system several times per year to assess student progress. This system is Web-based, thus requiring students to use computing devices to take the assessments. In addition, much of the state-mandated annual testing is completely online as well. Students must use District computing devices to participate.

Under the Federal Children’s Internet Protection Act (CIPA), the District is required to filter Internet access and to teach online safety. The District takes your student’s safety and privacy very seriously and makes every effort to supervise and monitor student technology use. We use Internet filtering software to block access to content that is obscene, pornographic, and harmful to minors. We provide instruction to all students in the area of Digital Citizenship through use of District-approved curriculum.
Parents or guardians have the right to terminate their student’s access to electronic tools and resources by signing this Opt-Out form. If you do not want your student to use District technology resources, please be aware that your decision to eliminate access to these tools may significantly affect your student’s ability to work collaboratively with his or her peers on class assignments and project, and may impact the development of skills necessary to live and work in this increasingly digital world.

This Opt-Out request will remain in effect for one school year, and expires at the end of this school year. A parent or guardian must complete a new Opt-Out form every school year. If no documentation is on file, it will be assumed that permission has been granted for access to the Internet, Google Apps for Education, Online Curriculum services, and other online applications and services that have been selected for use by the District, your child’s school, or your child’s teacher.

Please initial each of the following statements, complete the other information below, and sign and return this form to the main office at your student’s school. If you are denying access for multiple students, you must complete a form for each student. Return the form ONLY if you are choosing to opt your student(s) out of access to these resources.

_____ I do NOT want my student to access or use the Internet, Google Apps for Education, Online Curriculum services, and other online applications and services that have been selected for use by the District, your child’s school, or your child’s teacher.

_____ I understand that my student will still be required to take the Smarter Balanced Assessment online through a secure browser on a district-managed device.

_____ I understand that the next step in this process is that I will schedule an appointment with a school administrator to discuss my request to opt my student(s) out of the use of technology services.

LEGAL NOTICE

To the Parents/Guardians of Ridgefield School District Students:

In accordance with Washington State Immunization Law (RCW 28A210.080) and Ridgefield School District Board Policy #3413, all parents/guardians must provide a completed and signed Certificate of Immunization Status (CIS) prior to a student’s first day of enrollment.

Beginning in the 2016-2017 school year, a second Varicella vaccine is required for K-12th grades (see Varicella Notes below). The new requirement is based on national recommendations from the Advisory Committee on Immunization Practices.

Varicella Notes:
*Recommended: 3 months between varicella doses, but minimum interval of 28 days acceptable.
*Must get the same day as MMR or at least 28 days apart.

Beginning July 22, 2011, parents/guardians who want to exempt their child from immunization requirements must fill out and turn in the updated exemption form to their school. Parents/guardians must first talk to a licensed health care provider about the benefits and risks of immunization. The provider must sign the Certificate of Exemption verifying that the parent received this information or a provider may write and sign a letter verifying the same information instead of signing the form. A health care provider does not need to sign the form for parents/guardians who show membership in a church or religious body that does not allow medical care from a health care provider.

Immunizations are available at the following places:

1) Your doctor’s office.
2) Local pharmacy (Walgreens, Fred Meyer, Rite Aid etc.)
3) Sea Mar Community Health Center, call 360-896-5128 or 360-852-9070
4) The Free Clinic of Southwest Washington – Walk-in Clinic available 1st, 2nd, 3rd Wednesday of the month from 5:30-7:30. For more information, call 360-313-1390.

Your immediate cooperation is appreciated.

Thank you,
Your Health Services Team
