

# WEST HARRISON COMMUNITY SCHOOL

March 22, 2019  
NEWSLETTER

## MISSION STATEMENT

“We believe in excellence in education through academics, activities, and innovative opportunities for each individual to achieve his or her full potential.”

## SUPERINTENDENT’S NOTES

In education, we are notorious for using acronyms. Some acronyms get used so widely that they enter the national scene, much like NCLB, or No Child Left Behind, did. But, did you know that NCLB no longer exists? In fact, we now have ESSA, or the Every Student Succeeds Act. ESSA is the K-12 education law that replaced No Child Left Behind. ESSA still focuses on accountability and equity for students but shifts the decision-making to states and local school districts. The fact sheet included in the newsletter provides you with the highlights of this new law.

You may also be familiar with ITBS, or the Iowa Tests of Basic Skills. This, too, is no longer utilized; nor is the Iowa Assessment, our state’s current assessment tool. Instead, we now have ISASP, or the Iowa Statewide Assessment of Student Progress. The test was developed by Iowa Testing Programs at the University of Iowa. It is currently available in paper form or online. This year, West Harrison CSD elected to utilize the paper form. It is not the same test all of us took when we were in school. They are no longer timed and there is quite a bit of writing students will need to perform as part of the assessment. All schools in the state of Iowa are required to administer these tests in the last quarter of the school year. We have been informed that we will likely not receive the scores for students until August. Hopefully, as this test continues to be utilized, we will be able to attain the scores in a more expedient manner.

Thus ends this month’s short lesson in Iowa’s educational acronyms. We hope you have an opportunity to join us for many of the spring events we have planned to close out the school year! Go Hawkeyes!

Julie Trepa, Superintendent

## HELLO FELLOW HAWKEYES

The Iowa Department of Education recently adopted the Iowa Statewide Assessment of Student Progress (ISASP) for students in grades 3-11. This new assessment will replace the Iowa Assessments as our statewide accountability measure.

On March 26, 27, 28, and 29, WHCSD will administer the ISASP to students in grades 3-11. These tests will be given at the start of the day 8:00 a.m. in Grades 6-11 and in Grades 3-5

following morning breakfast. **\*\*Note\*\*** seniors do not need to report until the end of the testing period.

The test will include:

Test(s)	Grade Levels	Recommended Administration Time (minutes)	Date
Reading	3-11	60	Tues. 3-26-19
Language Arts & Writing	3-11	120	Weds. 3-27-19
Math	3-11	60	Thurs. 3-28-19
Science	5, 8, and 10	60	Fri. 3-29-19

Other information about the ISASP:

- The ISASP is aligned to the Iowa Core.
- The ISASP tests are untimed and students are allowed to continue testing as long as they continue to make progress. The ISASP while untimed it must be completed on the day that the assessment is initiated.

This is a brand new assessment and this year WHCSD will be taking the assessments on paper. However, starting next year these assessments must be given via electronic methods. As these are new tests the scoring and many other things have changed; please anticipate that. We as a school will try our best to communicate the changes with you as we learn about them.

If you are interested, student practice tests are available online at <http://iowa.pearsonaccessnext.com/test-prep/>. The training tutorials and practice tests can help you become familiar with the general processes and formats of these assessments in their online formats.

Please feel free to contact me at the school if you would like more information regarding the ISASP.

Brandt Snakenberg, PK-12 Principal

## WEST HARRISON SEEKING BUS DRIVERS

West Harrison is seeking Bus Drivers, Sub Bus Drivers and Van Route drivers. Starting pay is \$16.34 an hour with 10 sick days and 2 personal days for full time employees. We will provide paid training and assistance in obtaining the proper license. Contact Tonya Radil in Human Resources or David Kuhlman in our Transportation Department at 712-646-2231.

## NEWS FROM THE NURSE

With spring right around the corner (fingers crossed) I wanted to send out a reminder to parents to start thinking about getting your student ready for the next upcoming school year. State Law says your child **must be current on vaccinations prior to entering school!** Pre-K going to Kindergarten need Kindergarten physical and update on immunizations (typically DTaP, MMR, Polio, and Varicella), Eye and Dental exams. 6<sup>th</sup> grade going into 7<sup>th</sup> Meningitis and Tdap vaccination, 9<sup>th</sup> grade require dental exam, and 12<sup>th</sup> grade require their 2<sup>nd</sup> Meningitis vaccination. Students cannot attend public school if they are not current on vaccinations, or have a medical (signed by a physician) or religious exemption (notarized) on file. You may contact the school nurse (712-646-2231) or Harrison County Public Health (712-644-2220) with questions or concerns regarding this topic. Thank you in advance for taking time to review this topic. Respectfully, Deb Evans, RN, BS West Harrison CSD School Nurse.

## FREE DENTAL CARE MARCH 29-30, 2019

Nebraska Mission of Mercy will be coming to Omaha at Brownell Talbot School.

The Nebraska Mission of Mercy program provides care to the uninsured, the under-insured and anyone who otherwise has difficulty getting to a dentist. Those who show up for care, children and adults, and don't have any medically compromising condition that would prohibit them from receiving care are seen on a first-come, first-serve basis.

Originating in Virginia and spreading throughout the United States, Mission of Mercy dental programs have provided 100,000 patients with nearly \$50million in free dental services and treatment since 2000.

Deb Evans, School Nurse

## JUNIOR HIGH TRACK 2019

Students interested in junior high track should sign up in the office. Athletes must have physical and insurance forms turned in to be eligible to practice. If you have already done this for another sport this year you are taken care of. The first practice will be Monday, March 25<sup>th</sup>. Athletes will have a parent letter and schedule given to them this week. See Coach Maasen with questions.

Troy Maasen, JH Track Coach

## DRIVERS EDUCATION 2019

The students interested in taking drivers education for this year's course should be signing up in the office. We will hold an informational meeting with the students during our hawk time and they will receive a parent letter with the information needed for the course. Students must be 14 and hold a valid learners permit to be eligible to take the course. You must have your learners permit before the first day of classes. Also students must complete 20 hours of driving with a parent/guardian before driving with the instructor for driving lab. Log sheets will be included with the parent letter and you may document any past driving times already completed. Any questions, contact Mr. Maasen.

Troy Maasen, Driver's Ed Instructor

## PROM 2019

You are invited to attend the Prom Grand March on Saturday, April 6<sup>th</sup> at 6:30 pm in the west gym. The prom theme for this year is "A Red Carpet Affair", the juniors, seniors and their dates will begin their night with pictures by Dana McIntosh starting at 5:00, followed by the Grand March. At 7:00 a meal will be enjoyed in the school commons catered by Staley's from Charter Oak. Following the meal everyone will go to the west gym for a fun night of dancing with James Cloyd from Talk About It Entertainment in Omaha. At 11:30 pm everyone will board a bus for the trip to The Amazing Pizza Machine in Omaha for post prom and will return around 6:00 am.

The junior class would like to thank everyone who supported their fundraising though out the year to help make prom 2019 a success!

Annette Kuhlman, Prom Sponsor

## 175 NEW BOOKS FOR 4<sup>TH</sup> GRADE CLASSROOM

The West Harrison 4<sup>th</sup> grade class would like to thank the following organizations for allowing us to get a total of 175 new books for our classroom library this school year: West Harrison National Honor Society Avenue of Flags Grant, Missouri Valley Kiwanis Grant, Greater Iowa Credit Union Grant, and those that helped fund our Donor's Choose Project. With these grants and help it makes it easy to continue the love of reading in the 4<sup>th</sup> Grade!

Jami Sherer, 4<sup>th</sup> Grade Instructor

### 2019 SPEECH SEASON RECAP

Other than weather not being very cooperative this year, the speech season went very well! In January, three groups participated at a two-hour delayed District Large Group Contest in Clarinda, and all three groups advanced to state competition at Valley High School in Des Moines in February. Those students involved were Sydney Sherer, Jayden Kraft, Maren Evans, Brylee Sherer, Kayla Lynch, and Ema Aldrich (Ensemble Acting – I rating); Jeff Perry, Jayden Kraft, Maren Evans, and Ema Aldrich (Group Improv. – I rating); and Kayla Lynch and Aaron Peterson (Group Improv. – II rating).

Next, it was time to head to the Individual Conference Speech Tournament in Anita on February 9. Seven students decided to take advantage of the opportunity to perform and have comments prior to the actual competition at the end of February, and they did an outstanding job! The following students received medals: Maren Evans (1<sup>st</sup> place – Lit. Program), Katie Gore (1<sup>st</sup> place – Prose), Sydney Sherer (1<sup>st</sup> place – Radio News), Jayden Kraft (1<sup>st</sup> place – Poetry), and Jayden Kraft (2<sup>nd</sup> place – Lit. Program).

On the last Saturday in February, Atlantic was planning to host the Individual District Speech Contest, but the blizzard hit, and the eleven speech students had to attend a make-up contest on Wednesday, February 27. Students who took part in this competition were Ema Aldrich (Prose – I and Poetry – I), Kasey Lewis (Original Oratory – I), Makayla Nuzum (Poetry – II), Sydney Sherer (Prose – II), Jayden Kraft (Poetry – I and Lit. Program – II), Jeff Perry (Lit. Program – I and Radio News – I), Sabrina Rife (Storytelling – II), Maren Evans (Lit. Program – I), Katie Gore (Prose – I), Emily McIntosh (Storytelling – II), and Brylee Sherer (Storytelling – II).

Finally, Nevada High School held the State Individual Contest on March 9. Results were as follows: Maren Evans (I in Lit. Program), Jayden Kraft (I in Poetry), Ema Aldrich (I in Poetry and I in Prose), Kasey Lewis (I in Original Oratory), Katie Gore (II in Prose), and Jeff Perry (II in Lit. Program and II in Radio News). The students worked very hard throughout January, February, and March and excelled despite many snow days. I am proud of these talented students and appreciated how well they represented West Harrison! A special thank you goes to Mr. Nuzum for helping with speech practices and driving to all of the contests!

Gina Birdsall, Speech Coach

## 6-12 PE NEWS

The 7<sup>th</sup> and 8<sup>th</sup> grade finished their hunter safety unit over the last month. The students who completed all online units, passed the final test, and completed the field day activities will be getting their certification cards very soon! Great job to the students who worked so hard to gain their certification.

The 8<sup>th</sup> grade finished a week of water safety to start the month of March. The students completed individual Google presentations over water safety as well as had the opportunity to travel to Harlan to the Peterson Family Wellness Center for a day of water safety instruction and a free swim afternoon at the center. If you need a day away from the house with the crazy weather this facility is very family friendly and has many activities to enjoy for a small daily fee

Troy Maasen, PE Instructor

### HIGH SCHOOL GIRLS BASKETBALL

Thanks to everyone who has come tonight to celebrate our athletes. Thanks to everyone who have shown their support to us this season. Thank you to the custodians, the administration, the boys' basketball team, the cheerleaders, and the community for all you have done to help make our season a success. A special thank you goes out to Gary Smith who continually is working on our sports records to keep them up to date. Thank you to Tony Nunez for his hard work in supporting our team and also keeping our schedules on track. Thank you to everyone including the cheerleaders for providing meals for us for our long bus trips and or regional game. Thank you to our booster club who is always there to lend a helping hand when needed. Thank you to Dave Kuhlman and especially to Ben Nuzum for keeping our buses up and running and driving us to all of our games and doing our score book. Thank you to Scott Rife for helping out this year. Thank you to the parents for raising such talented and amazing young women and allowing us to be part of their lives.

Most of all thank you athletes.

JV finishes with a 4-2 record

Record for Varsity 5-18 finished 7<sup>th</sup> in the conference.

The team received the Iowa Girls Athletic Union Distinguished Academic Award with a combined GPA of 3.60

### Participation Award

Freshman Chenoa Bowman and Senior Britney Stewart

### Letter Winners

Second year Manager letter winner Brylee Sherer

First year Freshman Isabelle Foland and Rachael Olson; Sophomore McKenna Waldron

Second year Sophomores Haleigh Rife, Haley Koch, Maren Evans, Emily McIntosh

Third year Junior Sabrina Rife and Senior Cheyanne Rife

4<sup>th</sup> Year Senior Syd Sherer

**Rolling Valley All Conference Picks Honorable Mention goes to** Cheyanne Rife and Haley Koch

**E Wayne Cooley You Can ATHLETE AWARD:** Emily McIntosh, Syd Sherer, Maren Evans, and Haleigh Rife

**JV Most Improved** -Isabelle Foland

**All Around JV Player**-Rachael Olson

**Captains**-Cheyanne Rife and Syd Sherer

**Varsity Most Improved**- Maren Evans

**Varsity Offense**-Haley Koch

**Varsity Defense**-Emily McIntosh

**Sharp Shooter-Tie with** Haleigh Rife and Cheyanne Rife

**Deuce Award** -Emily McIntosh

**Three Point Queen**- Haley Koch

**Stick to It Award**- Syd Sherer

**Sportsmanlike- Tie with** Rachael Olson and Sabrina Rife

**Hustle Award**- Cheyanne Rife

**Perfect Attendance**- Sabrina Rife and Maren Evans

**Rookie of the Year**-Isabelle Foland

**Varsity MVP**- Haley Koch

**Hawkeye Award**- Sydney Sherer

**Frog Award**- Haley Koch

### **A BROKEN RECORD**

I would like to extend a shout out the Hawkeye girls basketball squad for breaking the school record in the number of points scored in a game. These ladies put up 81 points against Whiting on 1/8/2019 breaking the school record of 79 points against East Mills on 11/29/07.

Kathy Glennie, Head Coach

## **SLEEP IN ADOLESCENTS**

ONLY FIVE PERCENT OF adolescents in the United States are meeting the national recommendations for sleep, exercise and screen time. According to a study published in the Journal of the American Medical Association Pediatrics, children aged 6 to 12 years old should get between nine and 12 hours of sleep. Children aged 14 to 18 years old should sleep for eight to 10 hours per night. Both groups should get at least one hour of moderate to vigorous exercise a day and limit screen time to less than two hours a day.

According to the National Sleep Foundation: Not getting enough sleep or having sleep difficulties can:

- Limit your ability to learn, listen, concentrate and solve problems. You may even forget important information like names, numbers, your homework or a date with a special person in your life
- Make you more prone to pimples. Lack of sleep can contribute to acne and other skin problems
- Lead to aggressive or inappropriate behavior such as yelling at your friends or being impatient with your teachers or family members
- Cause you to eat too much or eat unhealthy foods like sweets and fried foods that lead to weight gain
- Heighten the effects of alcohol and possibly increase use of caffeine and nicotine
- Contribute to illness, not using equipment safely or driving drowsy.
- When you are sleep deprived, you are as impaired as driving with a blood alcohol content of .08%, which is illegal for drivers in many states. Drowsy driving causes over 100,000 crashes each year.

### **Solutions**

- Make sleep a priority. Naps can help pick you up and make you work more efficiently, if you plan them right.
- Naps that are too long or too close to bedtime can interfere with your regular sleep.
- Make your room a sleep haven. Keep it cool, quiet and dark. If you need to, get eyeshades or blackout curtains. Let in bright light in the morning to signal your body to wake up.
- No pills, vitamins or drinks can replace good sleep. Consuming caffeine close to bedtime can hurt your sleep, so avoid coffee, tea, soda/pop and chocolate late in the day so you can get to sleep at night. Nicotine and alcohol will also interfere with your sleep.
- Establish a bed and wake-time and stick to it, coming as close as you can on the weekends. A consistent sleep schedule will help you feel less tired since it allows your body to get in sync with its natural patterns. You will find that it's easier to fall asleep at bedtime with this type of routine.
- Don't eat, drink, or exercise within a few hours of your bedtime.
- Don't leave your homework for the last minute. Try to avoid the TV, computer and telephone in the hour before you go to bed. Stick to quiet, calm activities, and you'll fall asleep much more easily!
- If you do the same things every night before you go to sleep, you teach your body the signals that it's time for bed. Try taking a bath or shower (this will leave you extra time in the morning), or reading a book.

## Fact Sheet: Iowa School Accountability and Support

Iowa and other states developed systems of school accountability and support in response to the federal Every Student Succeeds Act, the K-12 education law replacing No Child Left Behind.

ESSA maintains a focus on school accountability and equity for all students but shifts decision-making to states and local school districts.

Iowa's system:

- Meets federal requirements outlined in ESSA but fits Iowa's context.
- Focuses attention and resources to schools that need it most.
- Was created with broad stakeholder input.
- Is designed to support schools, not punish them.

### Under ESSA, States Must:

**Develop plans for accountability and support**

**Set achievement goals for all students to reach**

**Identify schools for support and improvement every three years**

**Publish school report cards with data and information**

### School Identification

Identification of Iowa schools for support and improvement is based on these measures:

**Student Participation on State Assessments:** Requires a minimum of 95 percent of a school's enrollment participate in annual state assessments.

**Academic Achievement** (measures the following):

**Proficiency:** Percentage of students in a school who are proficient in math and reading based on assessment results.

**Average Scale Score:** Information about the average performance of students in reading and mathematics in a school.

**Student Growth:** Measures overall student growth by looking at student percentiles and determining whether the student is meeting or exceeding growth targets.

**Graduation Rate** (high schools): Determines percentage of students who graduate from high school in four or five years.

**Progress in Achieving English Language Proficiency:** Measures a student's progress in obtaining English language proficiency across the domains of reading, writing, listening and speaking.

**Conditions for Learning:** Measures a school's safety, engagement and environment based on a survey of students in grades 5 through 12.

## Comprehensive & Targeted Schools

ESSA requires public schools to be identified for Comprehensive Support and Improvement and Targeted Support and Improvement using the measures outlined on the previous page. See how it's calculated below. The state provides support to identified schools.

### Elementary & Middle Schools

Measure	Weighting*
Participation	10%
Academic Achievement	28%
Growth	47%
Progress toward ELP	10%
Conditions for Learning	5%
Total	100%

\*Weightings will change in subsequent years.

### High Schools

Measure	Weighting*
Participation	10%
Academic Achievement	20%
Growth	40%
Graduation Rate	15%
Progress toward ELP	10%
Conditions for Learning	5%
Total	100%

\*Weightings will change in subsequent years.

Comprehensive	Targeted
High school has graduation rate below 67.1% and/or	School has one or more student subgroups performing as low as the lowest 5% of schools
School is in lowest 5 percent of Title I schools based on accountability measures	Subgroups: Eligible for free or reduced-price lunch, English learners, students with disabilities, students by race/ethnicity

## Iowa School Performance Profiles (New Report Card)

ESSA requires states to publish report cards reflecting the performance of the state, schools and school districts. Iowa's online report card is called Iowa School Performance Profiles.

Iowa School Performance Profiles reflect school performance on the core accountability measures.

Find out more at [www.iaschoolperformance.gov](http://www.iaschoolperformance.gov).
