Anticipated Opening: Day Treatment Teacher

St. George School is a **community-centered K-8 public school** located in picturesque Mid-Coast Maine. We are committed to **academic excellence, community engagement, Expeditionary Learning, and teachers working in teams** to innovate, educate, and develop as professionals.

We are looking for a **Day Treatment Teacher** to help develop and implement a K-5 Day Treatment Program for students with severe behavioral and emotional needs. Next year, we anticipate about four students in this program. St. George MSU offers very competitive salary and benefits. Moreover, our staff works as a team to integrate students – to the fullest extent possible – into our school community and the mainstream classroom. The Day Treatment Teacher will have an opportunity to build and run a program for a small group of students while receiving support from administration, special education and mainstream teachers, ed techs, and specialists.

The ideal candidate for this position will understand special education procedural requirements, collaborate and communicate effectively with St. George school staff and outside providers and agencies, build a strong team to support the Day Treatment program, and implement specific teaching and supporting strategies to meet students' individual needs.

This position requires a K-8 Teacher of Students with Disabilities (282E) and Maine Department of Education Criminal History Records Check certifications. Applications will be accepted until a suitable candidate is found. Individuals interested should complete the St. George Teacher Application including a letter of interest and resume. An application can be found at stgeorgemsu.org.
