**12th Grade Mandated Requirements
By
The State of Illinois**

The State of Illinois School Code has established mandated health requirements for entry into twelfth grade. Listed below are the mandated requirements that **must be completed and submitted prior to the beginning of school in August. Failure to comply with these requirements will result in exclusion from school.** If you have any questions, please feel free to call your school nurse.

VACCINATION REQUIREMENTS:

- **MCV:** All students entering twelfth grade must show proof of having had two doses of the meningococcal conjugate vaccination (MCV) unless the first dose was administered after 16 years of age. In this case, only one dose after 16 years of age is required.
