

IN-SCHOOL POOL USE REQUEST FORM

Date: _____

Dates Requesting	Times Requesting

Staff requesting pool use _____

Phone: _____

Email: _____

Number of swimmers: _____ Grade level: _____

At least one certified lifeguard must be on deck whenever people are in the pool. The number of lifeguards required is dependent on the number of swimmers using the pool, and their ages. All teachers of the participating class are expected to be involved in the observation and management of the students. Certified lifeguards will concentrate on the main pool.

After using the pool each day, please make sure all doors are locked.

Return form to Dani Gunderson; dani_gunderson@roseauschool.org

*****Requirements for teachers of participating classes*****

1. You must stay in the pool area for the entire swim time
