Technology Device Acceptable Use & Insurance Agreement

Roseau Schools recognizes that with the implementation of the Customized Student Learning initiative there is a need to protect the investment by both the District and the family. The 1:1 Device (MacBook Air/iPad) insurance cost is noted in the table below and will be due upon receipt of your student's 1:1 Device.

Insurance Fees	Gr. K-5 leave at school	Gr. 6-12 allowed to take home
Standard	\$0	\$30
Qualifying Reduced Lunch	\$0	\$15
Qualifying Free Lunch	\$0	\$0
Family Max (grades 6-12)		\$75

This annual coverage begins upon receipt of the payment and ends at the conclusion of each school year. The 1:1 Device insurance cost will provide insurance coverage for accidental damage as outlined in the Technology Device Acceptable Use Policy. **Lost or stolen devices and/or accessories are not covered** under the insurance program.

Students of families who opt out of the insurance option will not be able to take the device home and will be required to check their 1:1 Device out each morning and return at the end of each school day. Grades K-5 must leave devices in their school classroom all year.

INTENTIONAL DAMAGE: Students/parents are responsible for full payment of intentional damages to 1:1 Devices. School District 1:1 Device Protection DOES NOT cover intentional damage of the 1:1 Device.

I have read the above terms as well as the Roseau Public Schools' Technology Device and Acceptable Use Policy* and understand my responsibilities. Additionally, I consent to the use of Google Workspace for Education student accounts as outlined in the Technology Device and Acceptable Use Policy. Please return this signed form with payment.
