

2019 Viroqua Area Schools Summer School Program

June 10 – July 5

* No School on July 4 *

SUMMER SCHOOL COURSE BOOKLET

REGISTRATION: March 28 – April 17

Sign up for classes based on your child's current 2018-2019 grade level.

Kate Moll, Elementary Principal and Summer School Coordinator
kmoll@viroquablackhawk.org
608-637-7071

Brenda Haugrud, Elementary Secretary and Summer School Secretary
bhaugrud@viroquablackhawk.org
608-637-7071

Viroqua Area Schools summer school programming includes a morning classroom experience for resident students with **no enrollment fee**, and a variety of classroom enrichment classes available for the afternoon with **no enrollment fee**. There are specialized classes for middle school and high school as well as middle school band lessons, and summer orchestra for beginners.

SUMMER SCHOOL BREAKFAST AND LUNCH: Breakfast will be served at 7:30, and lunch will be served at 11:30 each day in the elementary cafetorium during summer school, June 10 – July 5 (No School July 4). Breakfast and lunch will be available to all summer school students age 18 and under who wish to participate - - **at no cost to families**.

[Note: The Summer Food Program is open to the public daily during summer school from 7:30-8:30 for breakfast and 11:15-12:30 for lunch, and continues after Summer School **running until August 9.**]

ATTENDANCE: While students are encouraged to attend all summer sessions, we understand that family trips are often planned during the summer and that some absences are inevitable. Please let your child's teacher know ahead of time of any planned absences. **If you sign up for one of the enrichment classes - Bike, Camping, KVR, etc., please note the date so your child is in attendance. These classes are dependent on enrollment and often have a waiting list. Please notify the elementary office as soon as you know your child will not be attending to allow another student to have the opportunity.**

REGISTRATION: Students are required to enroll in classes according to their current 2018-2019 grade level. All registration forms are due by April 17. It is important that all students enroll by April 17 because courses are dropped based on enrollment and the availability of qualified instructors as of this date. **Each student is to have their own registration form and emergency form. Please do not put two students on one form.**

TRANSPORTATION: Transportation to and from summer school is a parent responsibility. Please utilize the parent pick-up and drop-off area in the NE parking lot. It is important that children are here on time and picked up promptly at the end of their summer school day.

TUITION FOR NON-RESIDENT STUDENTS: Any student seeking entrance into the Viroqua Area Schools Summer School Program must reside within the established boundaries of the district/or participate in Open Enrollment. The child’s parent or legal guardian must reside within the Viroqua School District boundaries. Non-resident students will be charged tuition in accordance with state tuition laws (121.77). **Non-resident students who have applied to the Board of Education by April 30, 2019 for the Public School Open Enrollment Program, and have been approved to enroll for the 2019-20 school year, may be waived for tuition for summer school enrollment.** Summer school tuition is: \$606 for the Morning Session, and \$144 for each of the afternoon enrichment classes. Tuition can be calculated if requested for the non-enrichment classes (fishing, camping, biking, etc.)

IMPORTANT REGISTRATION INFORMATION: The next four pages are for registration purposes. There are several classes offered that will have a limited enrollment cap. Registration for all classes is first come, first serve. Please make sure to complete all four pages of the registration – even if the page does not include a class your child is taking. **All pages must be filled out completely.** The third page has a parent signature portion that must be signed and dated. Failure to return all four pages will result in a delay in your child’s registration, with the student potentially missing out on a class that has limited enrollment.
