BOARD MEMBER VISITS TO SCHOOLS

School board members are encouraged to visit schools in a board member capacity. Such visits are to be discussed with the Superintendent. The visit would then need to be scheduled with the Building Principal. The Building Principal may accompany the board member on the visit. Such visits are for the purpose of becoming acquainted with school programs, personnel, operation, and facilities. Board members will not give directions, or make suggestions to personnel during their visit. If a school visit leaves a board member with a concern, this concern should be discussed with the Superintendent. The Superintendent will contact the School Board President in order for the Board President to be aware of the visitation.

Board members may also have children in the schools and therefore have parental opportunities to converse with their child's teacher, counselor, or administrator. In those instances, the board member should make it clear that s/he is visiting as a parent and not as a member of the Board.

Board members with concerns as parents or community members shall resolve concerns accordance with the district's policies.
