NON-CURRICULAR USE OF DISTRICT PROPERTY

In accordance with the Equal Access Act and Boy Scouts of America Act, if and/or when the District grants non-curricular student-led groups use of school facilities during non-instructional time, it shall also grant use to:

1. Any group officially affiliated with the Boy Scouts of America
2. Any other youth group that is required to be granted access under federal law
3. Community groups.

Before the District grants use of school facilities, each of the groups listed above shall complete and submit a Facility Use/Rental form to the Activities Director for approval and must agree to facility use regulations before rental/use. The District shall check with its insurance carrier to ensure coverage and, if available, obtain written confirmation of this coverage prior to granting a facility use request or the party using property shall provide proof of insurance with the District named as an additional insured and shall agree to pay all damages resulting from rental and/or use.

The Superintendent shall develop facility use regulations. They shall be nondiscriminatory in content, applied uniformly, shall contain conditions for approval and disapproval of facility use requests, contain terms of use and supervision requirements and terms under which community groups must pay short-term rental fees.

The use of buildings or equipment by others shall be without cost to the district. The Superintendent shall establish, and submit to the Board for approval, a schedule of rental and service charges to offset district costs.
