DPI REQUIREMENTS & GUIDANCE FOR ADULT MEALS

There is no reimbursement or commodities provided for meals served to adults. Reimbursement funds and student payments may not be used to subsidize lunches for adults.

Adults are to be served the same menu and portions as students.

Pricing

The following guidelines to pricing adult meals are provided:

1. The cost of adult meals is not attributable to the program, and the individuals must be charged the full cost of the meal.
2. The minimum adult lunch charge, including lunches served to teachers and other adults, is to be set above the highest student charge by the current amount of paid meal reimbursement rate, plus the current commodity value per meal.
