## **Hall of Fame & Homecoming 2017**

During the summer of 2005, the Mondovi High School Alumni Hall of Fame was organized with many former graduates from across the country donating funds to assist in getting the program started, purchasing awards, and establishing a potential scholarship fund. In the fall of 2006, the first members of the Hall of Fame were inducted. In the fall of 2006, the first members of the Hall of Fame, Dr. L.H. "Bud" Schultz (Class of 1936) and Robert M. Skare (Class of 1947) were inducted. Every year since then, distinguished alumni have continued to be recognized by the School District of Mondovi. This year is no exception as we will honor Ruth Christopherson (Class of 1980) and Sandy Mahlum Haidvogel (Class of 1981). As a community and as a school district, we can all be extremely proud of the outstanding accomplishments and positive impacts these two graduates have had on the communities and organizations they have been a part of. On behalf of the School District of Mondovi, I hope many of you will have the opportunity to join us in honoring both of them at one of the following events; the Homecoming Pep Rally (2:00 PM), the Homecoming Parade (3:10 PM), or the football game (7:00 PM) on Friday, October 6.

Speaking of Homecoming, this year's theme is, "Pixar Movies". The current MHS students are involved in dress up days, class competitions, volleyball, power buff football, float building, downtown window decorating, lobby decorating, class banner making, and many other spirit-centered activities as they enjoy the week leading up to the football game against Cadott High School on Friday night.

The intent of every district's Homecoming is to also provide an opportunity for former students to return to their alma mater, with a sense of pride, and reconnect with both their school and friends. We hope that you will be able to find some time to join us. Go Buffs!
