

“Notes From School”

SCHOOL BUS DRIVER RECOGNITION WEEK: FEBRUARY 12-16

There are more than 15,000 school bus drivers in the State of Wisconsin that travel more than 82,000,000 miles a year as they transport more than 600,000 students to and from school every day. These drivers of school buses have promoted and practiced the highest standards to assure the protection and safety of their passengers. Our fleet of drivers has combined for over 175 years of service to the School District of Mondovi. During their tenure, they have gone through rigorous training while maintaining impeccable driving records while transporting this "precious cargo".

In cooperation with the Wisconsin School Bus Association, the Department of Transportation's Office of Transportation Safety, the Division of Motor Vehicles, the State Patrol, the State Advisory Council of Highway Safety, and the Department of Public Instruction, Scott Walker, Governor of the State of Wisconsin, has proclaimed February 12-16 as School Bus Driver Recognition Week. Please take time, as we bring their efforts to the forefront, to thank each and every one of them; not only during this week, but throughout the school year as well.
