

"Notes From School"

End of the Year

Wow! "Time flies when you're having fun", the cliché proclaims. It seems like just yesterday that students and staff were walking through the doors and into the 2016-17 school year. Now, the last day for students is near and the first week of Summer School will begin on Monday, June 19.

While we are currently putting the finishing touches on the 2016-17 school year, plans are well under way for the 2017-18 school year. The first day of school for students will be Friday, September 1.

As is the case with every school year, there are many people involved in making it a success. Thank you to the Mondovi Community and Board of Education for your continued support of high-quality instruction both in and out of the classroom. Thank you to the families. You are the first educator each of our students can remember. Thank you students. You have poured energy and effort into being the best that you can be and have taken advantage of every opportunity that was afforded to you. Last, but certainly not least, thank you to all the staff working in the School District of Mondovi. Your dedication and passion for seeing students learn and grow is second to none.

Our Mission Statement reads, "We believe that the four cornerstones of a successful life are character, work ethic, citizenship, and academic achievement. Our community, parents, staff, and students will work together to foster these cornerstones". This year, we have lived it. Have a great summer! Go Buffs!
