## Summer-Fall-Winter

The summer-to-fall and fall-to-winter transition not only signifies that the snow is not too far off, but that the school year is closing the chapter on fall cross country, dance, football, tennis, and volleyball activities and is getting ready to turn the page into the new chapter of winter activities. Wrestling matches and basketball games will be here before you know it as we host Gilmanton on Tuesday, November 17 for the Girls Basketball season and home opener.

In the midst of the transition, we have a couple of wonderful events for you to consider attending. First, the public is invited to attend our Veteran's Day Program. This event will not only allow us to preserve the historical significance of the date, but will help us focus attention on the important purpose of Veterans Day: A celebration to honor America's veterans for their patriotism, love of country, and willingness to serve and sacrifice for the common good. On Wednesday, November 11, our program will be held in the Large Gym beginning at 1:15 PM. The Mondovi High School Band and Chorus will perform. The keynote speaker for this year's program will be Warren Petryk. Representative Petryk represents the 93<sup>rd</sup> Assembly District and is a member of the Committee on Veterans and Military Affairs.

Secondly, on Friday, November 13 and Saturday, November 14 the Mondovi High School Music and Theater Department will be performing the musical, "Cinderella". The 4<sup>th</sup>-12<sup>th</sup> grade student troupe will consist of 15-20 technicians, 26-30 cast members, and 13 musicians in the pit. Doors will open both evenings at 6:30 PM, and performances will start at 7:00 PM in the Multipurpose Room.
