April 2019

Message from the Principal

Summer is on its way! As you put away winter clothes, and think about what to wear on hot days, please keep in mind our school dress code. Students should wear shoes that are appropriate for physical activity, such as running and jumping; no strapless shoes or flip flops. Spaghetti straps on shirts must be at least 1 inch in width. Shorts and skirts must be fingertip in length or longer. Tube tops and strapless shirts are not allowed, and tank tops with oversized arm holes are not allowed. All shirts must cover the midriff. If students come to school with inappropriate clothing or footwear, parents may be requested to bring replacement clothing. Thank you for your cooperation!

Specific Needs Requests for 2019-2020

Due to the nature of our program at Golden Hills, where students may have several teachers in a given day, we don't take teacher requests. Instead, we value your input on the specific needs your child may have that will assist us in making appropriate placements. Please feel free to pick up a form in the Main Office at Golden Hills between April 1st and May 15th.
