November 4, 2022

Dear Families,

Miigwech to the Fiduciary and the Tribe for providing so many opportunities for our students, families, and staff!

Congratulations to our middle school girls' basketball team who won their game against Engadine last Saturday. We also want to thank Greg Chromy, our Athletic Director and Chris Paquin, and Jacob Thomann for their coaching support. Go Eagles!

Mr. Ron Paquin completed the canoe project this week! It looks amazing. We appreciate his knowledge and willingness to share his gifts with our students and staff.

Thank you to all of the staff and students who worked together as a team to make October 28th a wonderful Halloween day! The students had so much fun marching in the parade, playing games, eating treats, watching movies, doing Halloween activities, and dancing.

Our first Opening of the year will take place on November 3, 2022 beginning at 8:30 in the gym. It will be a presentation by our middle school students on the Grandfather Teaching of Respect (Minaadendimowin). All are invited to attend.

The next PAC meeting has been moved to November 14, 2022 beginning at 5:15 in the JKL cafeteria. At PAC meetings parents have an opportunity to share your ideas for improving our school. We hope to see many families in attendance!

Our next half-day of school is Veteran's Day, November 11, 2022. This is also Joseph K. Lumsden Day which we celebrate to honor the founder of our school. Our Student Council is working on a Veteran's Day presentation for the entire student body. We can't wait to see it! Students will be dismissed at noon following lunch that day. Please take a moment to remember both Joseph K Lumsden and all of our Veterans on this very special day.

Please mark your calendars for our November 17th & 18th Parent Teacher Conferences. Students will be dismissed at noon following lunch both of these days with conferences in the

afternoon. You will receive a copy of your child's NWEA Fall MAP scores at the conferences and ideas for helping your child improve areas where they may be learning gaps.

Also, please mark your calendars for picture retakes on Monday, November 21st.

Have a wonderful week!

Sincerely,

Theresa Kallstrom,

JKL Bahweting Anishanbe PSA Superintendent
