

Joseph K. Lumsden Bahweting Anishnabe P.S.A.

December 16, 2022

Dear Parents,

Thank you to Ms. Lori Jodoin for a very enjoyable holiday December PAC meeting! "Holiday Bingo and crafting was so much fun. We cannot wait to see what Ms. Jodoin has planned for the January PAC meeting!

Our Winter MAP testing will begin on January 9, 2023 and continue through January 31, 2023. Miigwech to all of our staff for helping our students to be ready for the test. There have been many challenges but our staff have done amazing helping our students to do their best. Just a reminder that students go outside for recess unless the weather is below zero. Please make sure they come to school with a warm coat, hat, gloves, boots, snow pants, etc. If you need any assistance obtaining any of these items, please let us know.

Thank you to all of the parents, staff, and student volunteers that made the Santa Store shopping experience so successful for each of our students. Students had so much fun choosing "just the right gifts" for family members.

Our December holiday performances were amazing! Our students have so much talent! A huge thank you goes out to Cathy Wilkinson, Dr. John Wilkinson, Ms. Barb Rogers, our maintenance staff for setting up and taking down, our entire staff for working with our students, and the parents and families who supported our students. It was so enjoyable to be back in person for our performances.

Regretfully, due to the extreme number of student and staff absences over the past couple weeks, we will be postponing the middle school play date for A Fairy Tale Christmas Carol from Wednesday, December 21 to Thursday, January 26. Here are the performance times: K-3 - 10am to 11am in the Gym 4-8 - 2pm to 3pm in the Gym Evening performance - 5:30pm to 6:30pm in the Gym.

Our Winter Break begins on December 22, 2022 at noon. We wish you a restful and enjoyable holiday season with your family and friends. School resumes on the normal schedule on January 3, 2023.

Have a wonderful holiday season!

Sincerely,

Theresa Kallstrom, JKL Bahweting Anishnabe PSA Superintendent
