Welcome

Boozhoo!

Dr. Dale

I am honored to be your new school superintendent. I am entering my 24th school year at JKL. My children attended JKL and it has been my home away from home for all these years. My priority as the superintendent is to continue to align daily operations with the school mission statement and to be a positive role model, mentor and colleague for all stakeholders. I believe school should be a safe, nurturing, positive and respectful experience for every student, staff, parent and community member. Mino Anishnabe Bimaadiziwin!

Miigwech,

Dr. Carolyn Dale
