18 school days until we begin ILearn! During HR today we will begin some activities during homeroom. Please take these activities seriously in preparation for Ilearn. Following the activity today $\frac{7}{8}$ students will schedule for FIT for Thurs and Fri.

During Homeroom students will be working on an ILEARN Math Practice. The 7th/8th Grade Math teachers have assigned their students the practice through a site called Edulastic. Students will be able to access the work by going to their Math Class in Google Classroom. If you are unable to get to the site from Classroom, they can also go straight to Edulastic.com.

Students you may use a calculator for this practice. We would like them to use the Desmos Scientific Calculator which is located at [Desmos.com/scientific](https://www.desmos.com/scientific).
