Directions: The LEA Plan for Use of ARP ESSER Funds requires planning the full allocation. The template below will assist in the development of the district plan. Districts may select evidence-based practices (pre-filled below) included in the LEA Plan for Use of ARP ESSER Funds or add additional rows to provide the practice and evidence that will be utilized by the district. The plan may be revised by notifying the DESE and uploading the revised plans in Indistar and on the district website (please include the revision date on all documents).

- 1. Creating Safe and Healthy Learning Environments:** Determine if ARP funds will be used to implement prevention and mitigation strategies that are, to the greatest extent practicable, consistent with the most recent CDC guidance on reopening school, in order to continuously and safely open and operate schools for in-person learning. Districts may select evidence-based practices (pre-filled below) included in the LEA Plan for Use of ARP ESSER Funds or add additional rows to describe the practice and evidence that will be utilized by the district.

2. **Addressing Lost Instructional Time or Loss of Learning:** Describe how the LEA will use the funds it reserves under Section 2001 (e) (1) of the ARP Act to address the academic impact of lost instructional time through the implementation of **evidence-based interventions**. The district must spend a minimum of 20% of ARP ESSER funds. The full implementation of the evidence-based interventions includes the personnel, materials, equipment, professional development, and expenses needed to meet the needs of students. Other evidence-based may be utilized if the intervention meets one of the four tiers of evidence. Evidence-based practices resources may be found on page 7 of [Empowering Schools for Success Using Effective Evidence Based Practices to Impact Student Outcomes](#). Districts may select evidence-based practices (pre-filled below) included in the LEA Plan for Use of ARP ESSER Funds or add additional rows to describe the practice and evidence that will be utilized by the district.

2.A. Process for Monitoring Implementation: Describe how the LEA will ensure that the interventions it implements, including but not limited to the interventions implemented under Section 2001 (e) (1) of the ARP Act to address the academic impact of lost instruction time, will respond to the academic, social, emotional, and mental health needs of all students, and particularly those students disproportionately impacted by the COVID-19 pandemic, including students from low-income families, students of color, English learners, children with disabilities, students experiencing homelessness, children in foster care, and migratory students.

Description: On demand tutoring will be used to address learning loss and data received will be used to adjust interventions. Weekly data meetings with teachers will be used to discuss progress and interventions (if needed). Data from weekly mental health screens will be used to determine supports needed.

2.B. Process for Evaluating Implementation: Please describe how the LEA will evaluate the effectiveness of these interventions.

Evaluation: Students will be ranked according to need and assessed. Tutoring and screens will be monitored for effectiveness and adjusted accordingly.

3. Supporting Educator and Staff Stability and Well-Being: Determine if ARP funds will be used to support educator and staff stability and well-being consistent with Section 2001 (e) (2) of the ARP Act.
