PO BOX 458  
DANVILLE, AR 72833  
TELEPHONE: 479-495-2617**

**TO: HIGH SCHOOL COUNSELORS, PRINCIPALS, VO-AG AND FAMILY & CONSUMER SCIENCE TEACHERS**

**We will be selecting the recipient of the four-year college scholarship in the near future. This scholarship will be awarded by May 15 to a deserving high school senior from an accredited public, private or home school in Yell County. Applications will also be accepted from currently enrolled college students meeting all other scholarship qualifications. We hope that you will encourage and assist any students in your school who are eligible to submit the required application by April 15, 2019.**

**Criteria for the scholarship include:**

- 1. Yell County resident.**
- 2. Applicant must be the child, grandchild, or member themselves of Yell County Farm Bureau at the time of application.**
- 3. Enroll and pursue a degree, of applicant's choice, at a university in Arkansas offering a degree in that area of study. Preference will be given to agriculture and family & consumer science majors.**

**This is a four-year scholarship in the amount of \$500 per semester. Additional requirements that must be met to receive the full \$4,000 amount are:**

- 1. Continue to pursue a degree as a full-time student.**
- 2. Maintain a 2.0 minimum grade point the first two semesters and a 2.25 GPA the following six semesters.**
- 3. The \$500 will be paid at the end of each semester to the recipient upon proof that the above criteria were met.**
- 4. Scholarship amount will be pro-rated if awarded to a currently enrolled college student.**

**Students wishing to apply should send the following information to the above address no later than April 15, 2019:**

- 1. Typed letter of application**
- 2. High school transcript and ACT score**
- 3. Two or more letters of reference from a principal, counselor, teacher and/or other respected community leaders.**
- 4. Name or membership number of the applicant or applicant's parent or grandparent who is a member of Yell County Farm Bureau.**

**Letters of application and reference should reflect the student's school and community activities, his/her economic need, their promise as a future leader, the college or university they plan to attend, and their post collegiate plans to be involved in agriculture.**

**Again, we solicit your assistance in encouraging students in your school system to apply for this scholarship. Please feel free to contact us for additional information or questions you might have concerning this matter.**
