

SCHOOL DISTRICT MISSION
(Comprehensive School Improvement Plan)

It is the mission of the Chula Accelerated School to ensure that students attain the basic skills needed for daily living and problem solving in a rapidly changing world; understand that individual rights require social, political, and economic responsibility. The school, home and community, together, seek to maintain a safe and orderly environment conducive to learning.

The district has a Board-approved Comprehensive School Improvement Plan (CSIP) guided by the mission statement and based on the district's fundamental beliefs about teaching and learning. This plan serves as the district's foundation for allocating resources, developing policies and procedures, and selecting and implementing instructional programs designed to raise student achievement.

The CSIP was developed through the combined efforts of Board members, staff, administrators, students, parents/guardians and community members and is ongoing. Goals, outcomes or objectives are provided in sufficient detail to direct the improvement efforts of the district for at least a five-year period. The CSIP is evaluated and updated as necessary.

A copy of the district's CSIP is available in the administrator's office.
