## North Central Education Service District Suspected Abuse Reporting Form

All ESD employees are mandatory reporters. If you suspect a child has been abused or neglected, you must make a report to Child Welfare or Law Enforcement **immediately**. Telling another employee or administrator does not relieve you of this legal obligation.

Complete the top section of this form when making a report to Child Welfare or Law Enforcement. After making your report, complete the bottom section of the form and submit a printed copy of the form to the ESD Superintendent. You must also notify your program manager after making your mandatory report. Do not email confidential information.

This form should be utilized whether or not the abuse involves a district employee. If the abuse involves a district employee, **immediately** notify the ESD Superintendent.
