

BUNKER HILL HIGH SCHOOL STUDENT MEDIA RELEASE FORM

As the world of media opportunities expands, we are seeking ways to involve our staff and students in a number of meaningful media-based activities. The range of involvement may include newspapers and television, as well as website text and images, school or district newsletters, and informational material prepared to showcase our district educational programs. We consider these opportunities to be excellent vehicles for sharing with our parents and the general public the wide array of activities and events that occur within our educational community.

Our district views the wise use of media as a powerful means of communicating and sharing a broad spectrum of positive elements associated with our school district. Along with the benefits accrued by the district, we are aware of the positive effect student involvement can have on the lives of our children. It is for these reasons that we ask for your permission to include your child in the media opportunities noted above.

As you are aware, there are potential dangers associated with the posting of personally identifiable information on a website since global access to the Internet does not allow us to control who may access such information. These dangers have always existed; however, we as schools do want to celebrate your child and his/her work. The law requires that we ask for your permission to use information about your child.

Please sign below to communicate your preference in this matter. We are requesting that every parent sign and return one form for each child in attendance.

If you, as parent or guardian, wish to rescind this agreement, you may do so at any time in writing by sending a letter to the high school principal and such rescission will take effect upon receipt by the school.
