

Fair Lawn High School Parents' Committee for Athletics
14-00 Berdan Ave. Fair Lawn, NJ 07410

Dear New PCA Member,

We hope you had a relaxing summer. We are excited to start the 2022-2023 school year. While the COVID-19 pandemic impacted our prior school years, we hope this year is a return to normalcy. We cannot wait to support all the athletic teams. The Fair Lawn High School Parents' Committee for Athletics (PCA) is determined to provide and excellent experience for every student athlete at Fair Lawn High School this year.

The FLHS PCA will continue to raise money for graduating seniors and provide them with scholarship opportunities. We will continue to promote our mantra of **CUTTER NATION** and assist all programs regardless of size or strength within the Fair Lawn athletic department. We will continue to encourage participation across all sports, even though there still may be some restrictions and hurdles along the way.

The PCA promotes school pride and good sportsmanship and aids in coordinating special events for our athletic programs. The executive board, along with its representative members, will continue its mission of providing for our coaches, student athletes and fans. We are a 501 (c)(3) tax exempt organization comprised solely of volunteers. Our donations of both time and money have been able to provide, not only scholarships, but other enhancements that support athletics.

You are all invited to share your ideas and become involved in our fundraising and organizational activities. We offer a variety of ways you can lend a hand and we encourage everyone to participate, whether in communications, public relations, concessions sales, apparel design/sales, canning, event planning, pure manpower or a new fundraising idea you may have!

For PCA information you can access use the following link to access our information on the FLHS website https://flhs.fairlawnschools.org/apps/pages/index.jsp?uREC_ID=472793&type=d. Together we will make this a great year for **Cutter Nation** athletics. Go Cutters!

Sincerely,

The 2022-2023 PCA Executive Board
