37-01 FAIR LAWN AVENUE
FAIR LAWN, NEW JERSEY 07410**

**ANNUAL INTEGRATED PEST MANAGEMENT
NOTICE**

July 2022

Dear Parent, Guardian or Staff Member:

This notice is being distributed to comply with the New Jersey School Integrated Pest Management Act. The Fair Lawn Public School District has adopted an Integrated Pest Management (IPM) Policy and has implemented an IPM Plan to comply with this law. IPM is a holistic, preventive approach to managing pests that is explained further in the school's IPM Policy, which is available for review.

All schools in New Jersey are required to have an Integrated Pest Management Coordinator (IPM Coordinator) to oversee all activities related to IPM and pesticide use at the school.

The IPM Coordinator for the Fair Lawn Public School District is: John Yobs
Telephone Number: (201) 794-5522, extension 6602
Address: Fair Lawn Board of Education
5-01 Bergen Avenue
Fair Lawn, New Jersey 07410

The IPM Coordinator maintains the pesticide documents and the Material Safety Data Sheet (MSDS) (when one is available), of each pesticide product that may be used on school property. These documents are available for review. The IPM Coordinator is also available to parents, guardians, and staff members for information and to discuss comments about IPM activities and any pesticides used at the school.

As part of a school pest management plan, our schools may use pesticides to control pests. The United States Environmental Protection Agency (EPA) and the New Jersey Department of Environmental Protection Agency (DEP) register pesticides to determine that the use of a pesticide in accordance with instructions printed on the label does not pose an unreasonable risk to human health and the environment. Nevertheless, the EPA and DEP cannot guarantee that registered pesticides do not pose any risk to human health, thus unnecessary exposure to pesticides should be avoided. The EPA has issued the statement that where possible, persons who are potentially sensitive, such as pregnant women, infants and children, should avoid unnecessary pesticide exposure.

IPM products used in the school district during the past 12 months of the 2021/2022 SY:

Vendetta Cockroach Gel Bait (Abamectin B1) EPA Registration #1021-1828, Maxforce FC Pro Ant Killer Bait (Fipronil) EPA Registration #432-1264, ECO Via CA (Thyme Oil, Rosemary Oil, Cinnamon Oil) EPA Registration #FIFRA 25 (b) Exempt, ECO Via EC (Thyme Oil, 2-Phenethyl Propionate, Rosemary Oil) EPA Registration #FIFRA 25 (b) Exempt, Eco Exempt D (2-Phenethyl Propionate) EPA Registration #FIFRA 25(b) Exempt, Maxforce Fleet Ant Gel (Fipronil) EPA Registration #432-1264, Niban Granular Bait (Orthoboric Acid) EPA Registration #64405-2, Mother Earth Granular Scatter Bait (Boric Acid) EPA Registration #499-515, Final All Weather Blox (Brodifacoum) EPA Registration #12455-89, Glueboard Adhesive non-toxic

If there are any questions regarding this notice, please call Mr. John Yobs at the number listed above.

Nicholas Norcia, Superintendent of Schools
