### STUDENT ALL-MEDIA CONSENT FORM

Before completing this form, please read below.

#### What is the reason for the consent form?

The Fair Lawn Public School District (FLPS) is proud of the accomplishments and activities of its students. At times we may submit individual student photos, group photos, names, and quotes to the news media, post on our website, and social media sites run by the school district. The law (N.J.S.A. 18A: 36-35) requires that we ask for your permission to use information about your child.

This consent form, when completed and signed by the parents/caregivers, authorizes FLPS to take or use photographs, collect comments and/or creative works, and film/video footage of the student for publicity purposes. The material may be used for:

- Press Releases
- Printed publications (school newsletters, brochures, magazines, displays, etc.)
- Electronic communications (website, PowerPoint and other staff presentations, etc.)
- Social media sites that the district manages (Facebook, Twitter and Instagram)

#### All-Media Consent grants:

Pursuant to law, we will not release any personally identifiable information without prior written consent from you as parents or guardian, unless as part of an athletic and/or academic team,

performing arts group, and/or other public performance based activity, or as part of a large group photograph submitted without names, as per our BOE Policy 9120. As you are aware, there are potential dangers associated with the posting of personally identifiable information on a website since global access to the Internet does not allow us to control who may access such information. These dangers have always existed; however, we as schools do want to celebrate your child and his/her work. The law requires that we ask for your permission to use information about your child. This All-Media Consent Form is to both inform you and to give you the option to "opt-out" of giving All-Media Consent permission.
