

2021-2022 Testing for Lead in School Drinking Water Statement of Assurance (SOA)

 Thanks!

Your SOA for the 2021-22 Water Lead Testing Program has been successfully submitted.

Please note:

- **Click the button below to print or obtain a PDF of the submitted SOA before exiting the SOA webpage. There are no other opportunities to print or download responses.**
- The Department will only contact entity representatives if its review of the submitted SOA finds compliance issues.
- A SOA status list of the reporting entities can be found on the Department's Testing for Lead in School Drinking Water webpage at <https://www.nj.gov/education/lead/>. Please note the date the list was updated when reviewing.
- If a submitted application requires updating during the reporting period, a second SOA can be submitted and will replace the original submission. The Department will not keep a record of the original submission.

- An approved SOA is required for State reimbursement for water testing. See <https://www.nj.gov/education/lead/> for information concerning the reimbursement process.
- Questions can be emailed to leadtesting@doe.nj.gov.
