Dear Parent or Guardian

Breakfast is known as the most important meal of the day for many reasons. One of the main benefits for children is enhanced performance. Did you know that we offer a variety of hot and cold breakfast options daily in the cafeteria? If you would like to participate in the program, please come see us daily in the cafeteria before homeroom! We also offer after the bell breakfast in the main office.

Please feel free to call if you have any questions.

Thank you
