

## OPPORTUNITY EXPO 2019 COMING APRIL 18

Don't miss out! Please register by February 15.

As a partner in the education and leadership development for high school students, and to help them plan for and prepare for life after graduation, we invite you to join us at

**Opportunity Expo 2019.** The Expo is a dynamic college, career, and preparedness for life event for over 1,100 high school students.

This year's Expo promises to be even bigger and more interactive. We encourage college, career, tech and trade, businesses, service organizations, and programs seeking volunteers to consider bringing interactive displays, hands on activities, or handouts to engage students.

**Colleges and universities are encouraged to have their school's mascot accompany them to the event.**

Each vendor participant may register for one or more table spaces.

Click [HERE](#) to reserve your space (or copy this URL to your search bar:
