

## Federal AHERA Regulations

Federal regulations concerning the inspections, re-inspection, periodic surveillance, response activities and management planning for our school district.

I am pleased to advise you that Crosbyton CISD is working hard to maintain compliance with the federal AHERA regulations.

We are currently in the process of re-inspecting and updating the management plans for each of our school campuses.

Should you desire to review the management plan for your child's school, a copy of the plan is available in the principal's office.

If you have any questions about the plan or this federally mandated program, please contact me at 675-7331, Ext. 1236.

Sincerely,

Ramiro Garcia
