GENERAL ADMINISTRATION

Regulation 1110
(Form 1110)

Religion

Religious Expression

In order to ensure clarity in application of the District's religious expression policy, the following guidelines have been developed and implemented.

Prayer During Noninstructional Time

Students are permitted to engage in religious expression during noninstructional time, i.e., before school, after school, during lunch and recess and while not engaged in school activities. Religious expressions permitted include Bible reading, prayer, scripture reading, saying grace before meals. However, the exercise of constitutional rights of religious expression may not be engaged in when the expression disrupts educational activities or school-sponsored activities. The decision to participate or not participate in religious expression is a matter of individual choice. No student will be permitted to harass or intimidate other students to participate or refrain from participating in religious expression.

Access of Student Religious Groups to School Media

Religious related student groups will be given the same access to school facilities and school communications as are given to other noncurricular student groups. For example, and to the extent that noncurricular student groups are permitted to advertise in school media, participate in school announcements, make use of student activity bulletin boards and hand out leaflets announcing group activities, religious related groups will be given the same privileges. In all instances, the District maintains the right to control the means and timing of such activities. In all such matters, the District neither favors nor disfavors religious related student groups or the activities sponsored by such groups.

Release Time for Religious Activities

Upon written parental request, students may be released from school to participate in off-premises religious instruction or to satisfy religious obligations. Students who are released from class for religious activities will not be penalized for missing school. However, such students will be responsible for all assignments and for the content of lessons missed. The District will not provide transportation to or from off-premises for religious observances and will not be responsible for the safety or welfare of students while away from school.

Religious Expression in Class Assignments

Students are free to express their personal beliefs about religion in homework assignments, artwork or other written or oral assignments.

Such assignments will be evaluated by teachers based upon academic standards of substance, quality and relevance. Students will neither be rewarded nor penalized because of the religious content or lack of religious content in their assignments.

Student Assemblies and Extracurricular Activities

Generally, school administrators will determine or substantially control the content of what is expressed at student assemblies and at extracurricular activities. In such cases religious expression will not be permitted as the religious expression may be attributed to the school or seen as an endorsement of a particular religious belief or expression. However, in instances where students are selected to speak at assemblies based upon neutral selection criteria and where the student speaker has primary control over the content of his/her oral presentation, the school will not restrict the student speech because of its religious or anti-religious content. In such cases, school authorities will publicly clarify that the content of the student's speech is the speaker's and not the school's.

Prayer at Graduation/Baccalaureate Ceremonies

Where students or other graduation speakers are selected on the basis of neutral criteria and retain control over the content of their speech, the content of the speech will not be restricted because of the religious or anti-religious content of the speech. The school disclaims responsibility for such speech - neither encouraging nor discouraging its content. However, neither District nor school officials may direct or encourage prayer at graduation or select speakers because of the expectation that such speakers will include religious expressions in their speech.

To the extent that the District makes its facilities and related services available to private groups, the District will provide similar access and on similar terms to private groups for a baccalaureate ceremony. The District and the school will not mandate student attendance nor participate in the organization of the ceremony. School employees are free to attend but will not be required to attend the private baccalaureate ceremony.

Religious Activities of School Employees

When not engaging in work-related activities, i.e., before school or during lunch, school employees may take part in religious activities such as prayer or Bible study. Such activities should be conducted in private in order to avoid the appearance that the employees are acting in their employment responsibilities. School employees are prohibited from encouraging or discouraging religious expression and from actively participating in religious expression with students.

Religious Emblems or Garments

School personnel shall not require students to remove religious emblems or garments if they are worn in a non-disruptive manner.

Certification of Compliance

The District will provide annual written certification of compliance that the District does not maintain any policy that prevents or denies participation in constitutionally protected prayer in public elementary and secondary schools. This certification will be provided to the Missouri Department of Elementary and Secondary Education on or by October 1 annually. A copy of the certification will be maintained in the District's administration office and will be available for public review.

GENERAL PROVISIONS

The Coordinator shall receive complaints, actively and independently investigate the merit of those complaints, and assist the parties in resolution of those complaints. The Coordinator may be utilized as a resource by any party at any level of the grievance procedures.

Students, parents of elementary and secondary school students, employees, applicants for admission and employment, and sources of referral of applicants for admission and employment with Macon County R-IV School District have the right to file a formal complaint alleging noncompliance with regulations outlined in Title IX or Section 504.

Relevant records shall be made available to the grievant to the extent appropriate under the particular circumstances of the specific complaint and as permitted by law.

The grievance procedures herein do not deny the right of the grievant to file formal complaints with other appropriate state or federal agencies, such as the Missouri Human Rights Commission, United States Department of Education office for Civil Rights, or the Equal Employment Opportunity Commission (employees only). Similarly, these procedures do not deny any right of the grievant to seek private counsel for complaints alleging discrimination.

In most instances involving a student under eighteen years old, the student's parent/guardian should participate in the hearing and resolution process.

No student or employee of the District shall intimidate, harass or retaliate against any person filing a grievance or any person participating in the investigation or resolution of a grievance.

If a grievance is taken to the Board of Education for a formal contested hearing, the parties shall have the right to be represented by legal counsel, to call and examine witnesses, to cross-examine witnesses called by the opposing party, and to submit documentary evidence into the record.

TITLE IX GRIEVANCE PROCEDURE

Level 1: Principal or Immediate Supervisor (Informal and Optional - may be bypassed by grievant.)

Employees claiming sex discrimination may first discuss the grievance with their principal or immediate supervisor, with the object of resolving the matter informally. A student or parent with a sex discrimination complaint may discuss it with the teacher, counselor, or building administrator involved.

Level 2: Title IX Coordinator

If the grievance is not resolved at Level 1 and the grievant wishes to pursue the grievance, it may be formalized by filing a complaint in writing on a Compliance Violation Form. This form may be obtained from the Title IX Coordinator. The complaint shall state the nature of the grievance and the remedy requested. The filing of the formal, written complaint at Level 2 must be within fifteen (15) working days from the day of the event giving rise to the grievance or from the date the grievant could reasonably become aware of such an occurrence. The grievant may request that a meeting concerning the complaint be held with the Title IX Coordinator. A minor student may be accompanied at that meeting by a parent or guardian. The Title IX Coordinator shall investigate the complaint and attempt to solve it. A written report from the Coordinator to the complainant regarding action taken will be sent within fifteen (15) working days after receipt of the complaint.

Level 3: Superintendent

If the complaint is not resolved at Level 2, the grievant may proceed to Level 3 by presenting a written appeal to the Superintendent within ten (10) working days after the grievant receives the report from the Title IX Coordinator. The grievant may request a meeting with the Superintendent or his/her designee. The Superintendent or his/her designee has the option of meeting with the grievant to discuss the appeal. A decision will be rendered by the Superintendent or his/her designee within ten (10) working days after receiving the written appeal.

Level 4: Board of Education

If the complaint is not resolved at Level 3, the grievant may proceed to Level 4 by presenting a written appeal to the President of the Board of Education within ten (10) working days after the grievant receives the report from the Superintendent. The grievant may request a meeting with the Board of Education. The Board of Education has the option of meeting with the grievant to discuss the appeal. A decision will be rendered by the Board of Education at their next regularly scheduled meeting. The grievant will be notified in writing of the decision within ten (10) working days after the Board of Education action.

The procedure in no way denies the right of the grievant to file a formal complaint with the Missouri Civil Rights Commission, the Office for Civil Rights, or other agencies available for mediation or rectification of rights grievances, or to seek private counsel for complaints alleging discrimination.

SECTION 504 GRIEVANCE PROCEDURE

The procedures below must be utilized with regard to discrimination claims under Section 504. Claims relating to identification, evaluation, or educational placement must be challenged using the procedures outlined in Policy and Regulation 2110.

Level 1: Building Administrator (Informal and Optional - may be bypassed by Grievant)

Many problems can be solved by an informal meeting with the parties and the building administrator. An individual with a complaint is encouraged to first discuss it with the teacher, counselor or building administrator involved, with the purpose of resolving the matter promptly and informally. Similarly, employees with a complaint are encouraged to first discuss the complaint with the building principal or immediate supervisor.

Level 2: Section 504 Coordinator

If the complaint or issue is not resolved at Level 1, the grievant may file a written grievance with the Section 504 Coordinator. The written grievance must be filed with the Coordinator within fifteen (15) days of the event or incident giving rise to the grievance, or within fifteen (15) days of the date the grievant could reasonably have become aware of the event or incident. Extensions of the fifteen- (15) day requirement will be granted if the grievant can establish good cause for the delay and the interests of justice and fairness so require.

The written grievance should include the following information:

1. The nature of the grievance - what is the event, incident or circumstance that is the reason for the complaint.
2. The remedy requested - what would the grievant like to see happen if the Coordinator were to sustain the grievance.
3. The grievant's signature and the date of the grievance.

The Coordinator shall have the authority to investigate all written grievances. The Coordinator may request that an independent investigator, who is not an employee of the District, be assigned by the District to conduct the investigation. When possible, the Coordinator shall work toward resolution of the grievance. This resolution shall be reduced to writing and signed by all parties. If the parties cannot agree on a resolution to the grievance, the Coordinator shall complete the investigation and make a determination regarding the merits of the complaint. The Coordinator shall notify the grievant and the Superintendent in writing of his/her determination within fifteen (15) days after receipt of the written grievance. The fifteen (15) days may be extended (1) at the

request of the grievant, (2) with consent of all parties, or (3) if the Coordinator is on vacation or is otherwise unavailable during the fifteen- (15) day period due to an emergency or other unforeseen circumstances.

If the Coordinator concludes that the allegations contained in the grievance have merit, the Coordinator shall make a recommendation to the Superintendent as to the appropriate action to be taken by the District. If the Superintendent agrees with the recommendation of the Coordinator, the grievance will be sustained, and the recommended remedial action will be implemented. The Superintendent may sustain the grievance, yet modify the recommended remedial action. The Superintendent shall notify all parties of his/her decision in writing within five (5) days of his/her receipt of the recommendation from the Coordinator. The five (5) days may be extended (1) at the request of the grievant, (2) with the consent of all parties, or (3) if the Superintendent is on vacation or is otherwise unavailable during the five- (5) day period due to an emergency or other unforeseen circumstances.

If the Coordinator concludes that the allegations contained in the grievance are without merit, the Coordinator shall make a recommendation to the Superintendent that the grievance be denied. If the Superintendent agrees with the recommendation of the Coordinator, the grievance will be denied. The Superintendent shall notify all parties of his/her decision in writing within five (5) days of his/her receipt of the recommendation from the Coordinator. The five (5) days may be extended (1) at the request of the grievant, (2) with the consent of all parties, or (3) if the Superintendent is on vacation or is other unavailable during the five-(5) day period due to an emergency or other unforeseen circumstances.

If the Superintendent disagrees with the recommendation of the Coordinator, whether sustaining or denying the grievance, the Superintendent shall state his/her reasons for disagreeing with the recommendation in writing, set out his/her conclusions and the reasons therefore, and notify all parties of the decision in writing within five (5) days of his/her receipt of the recommendation from the Coordinator. The five (5) days may be extended (1) at the request of the grievant, (2) with the consent of all parties, or (3) if the Superintendent is on vacation or is other unavailable during the five-(5) day period due to an emergency or other unforeseen circumstances. If the Coordinator or Superintendent is alleged to have violated this Policy, the grievant may request to bypass the respective individual.

Level 3: Board of Education

Any party aggrieved by the decision of the Superintendent or in disagreement with the proposed remedial action may make a written appeal to the Board of Education. Such written appeal shall be filed in writing with either the Superintendent or the Secretary of the Board of Education. Such written appeal must be filed within ten (10) days of receipt of the decision of the Superintendent. Extensions of the ten- (10) day requirement will be granted if the grievant can establish good cause for the delay and the interests of justice and fairness so require. Upon

receipt of a written appeal, the District shall place the grievance on the agenda of the next meeting of the Board of Education following the fifth day after the appeal is received, or at such Board meeting thereafter as may be agreed upon by the parties.

At the hearing before the Board, the parties shall have the right to be represented by legal counsel, to call and examine witnesses, cross-examine witnesses called by the opposing party, and to submit evidence into the record.

The Board shall render its decision within thirty (30) days. The Board shall report its decision in writing. All parties shall receive a copy of the decision.

The hearing before the Board of Education shall be considered a contested case for purposes of Chapter 536, Revised Statutes of the State of Missouri.

Level 4: Circuit Court

Any party aggrieved by the decision of the Board of Education may appeal the decision to the Circuit Court of the County, in accordance with Chapter 536, Revised Statutes of the State of Missouri, or to the applicable federal court.

Other Options

At any time during the grievance process, a grievant may file a complaint with the United States Department of Education, Office for Civil Rights (Kansas City, Missouri) or the Missouri Commission on Human Rights. Employee grievants may also file a complaint with the Equal Employment Opportunity Commission.
