B12 Shot	\$ 20.00	\$ 20.00

If paying for any vaccines and/or B12, we accept cash or check made out to Staying Healthy Medical Services.

After you sign up online, you will see a confirmation page. There will be a link for you to print out the consent form for vaccinations. You only need to print out one consent form for vaccinations. B12 will require a separate form. If you have questions about any particular vaccination, please see our nurse on the day of the clinic.

The new Shingles vaccine (Shingrix) will be available for employees (age 50-64 only if using insurance). Please note that this vaccine is known to cause more frequent local reactions than other routine immunizations and cannot be given to anyone younger than 50 years old.

Individuals age 65 and over can only receive the flu shot, no other vaccines, if using insurance. Age appropriate vaccines can be administered to those 65 and over that are paying out of pocket for the vaccine.

If you received routine vaccinations from Staying Healthy Medical Services, other than flu, in previous years and need a copy of your records, please email us at info@stayinghealthymedical.com. In the email you will need to include your name and birthdate. Depending on the carrier, insurance claims may be filed as Community Health and Immunization Services or Staying Healthy Medical Services.
