#Building our Future

Construction Update: RHS EXPANSION - Week ending 4/5/19:
On the Kiln and Fire Pump building, masonry work and fire sprinkler piping is now complete. Exterior brick veneer work continues to make progress. This week, wainscot installations got started on the first floor. Painting and tile work is underway in restrooms, and in Science classrooms, casework is going in.

2017 BOND PROGRAM
RIDGEFIELD SCHOOL DISTRICT

View of excavators as they dig to install underground fire sprinkler supply line from fire pump to existing buildings.

View of MDF wainscot installations on first floor.

Casework installation is underway in Science clsssrooms.
