Spur Independent School District

July 13, 2023

Spur ISD warmly welcomes you back for the 2023-2024 school year. We are excited to announce that starting this year, Spur ISD will be implementing online registration. As a result, there will be no more 1st-day packets sent home.

In our first year of online registration, it is required that a parent or guardian visit the school to register their child. We have designated two days for this purpose:

August 1st from 11 a.m. to 7 p.m.

August 2nd from 11 a.m. to 7 p.m.

To facilitate the registration process, computers will be available in the Secondary Campus Computer Lab for all grade levels.

In case you are unable to attend either of the two dates mentioned above, please contact the school at 806-271-3385 to schedule an alternative registration time.

We look forward to a successful school year and appreciate your cooperation in making the registration process smooth and convenient.

Thank you,

Spur ISD
