פרשת קרח -הדלקת נרות 8:13pm

From the Desk of Rabbi Monczyk:

Dear Parents and Families,

As we approach the end of another school year, we wanted to take a moment to express our gratitude and reflect on the incredible journey we have shared together. It has been an honor to serve as your principals at Shulamith School for Girls of Brooklyn.

This year has been an incredible year filled with incredible learning, trips and new experiences. Our students have shown remarkable resilience, adaptability, and determination in their pursuit of knowledge and personal growth.

We extend our heartfelt appreciation to all the parents and families who have been unwavering in their support and collaboration. Your involvement, whether through volunteering, attending parent-teacher meetings, or supporting your child's education at home, has made a significant impact on their academic success and overall development.

We also want to recognize our exceptional teaching and support staff who have gone above and beyond to ensure the best possible learning experience for our students. Their dedication, creativity, and commitment to fostering a nurturing and inclusive environment have played a vital role in the achievements we celebrate today.

Together, we have witnessed countless triumphs, both big and small, throughout the year. From academic accomplishments to artistic endeavors, to acts of kindness and compassion, our students have consistently demonstrated their potential and contributed to the positive spirit of our school community.

As we look forward to the well-deserved summer break, we encourage you to take this time to relax, recharge, and spend quality time with your loved ones. Reflect on the accomplishments and growth your child has experienced this year, and celebrate their unique talents and strengths.

In the coming year, we will continue to work tirelessly to provide a safe, nurturing, and academically stimulating environment for our students. We value your feedback and encourage you to share any thoughts or suggestions you may have to further enhance our school community.

Thank you once again for your partnership and support throughout this year. We are truly grateful to be part of such a remarkable community. We wish you a joyful summer filled with laughter, love, and memorable moments.

With warm regards,

Rabbi Moshe Monczyk

Pre-1a News

Dear Parents,

On behalf of myself and my Preschool colleagues we are excited to share a few thoughts about this school year:

We've enjoyed it immensely,
We know your child did too,
So this letter is none other
Than to say thanks to you!

For giving us the honor
Of having your daughter.

For letting us provide her
With days full of learning fun.

For coping when she came home glued and painted
We know it was a task.

For writing up those mitzvah notes
Whenever it was needed.

For making sure her homework was completed
To reinforce what we had learned.

For telling us a good word
Whenever we succeeded.

For showing us always,
That you care.

For being the parents
You were this year.

WE SAY THANK YOU!!!!

Please remind your daughter to start off each day by davening to Hashem. Your daughter knows that Hashem really wants to hear our תפילות each day! Please also encourage your daughters to say ברכות before and after eating. Thank you.

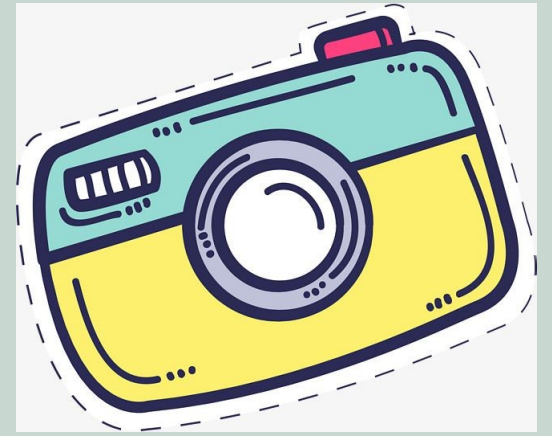

Finally, each of your daughters will remain an indelible memory permanently set in our hearts. We wish you all a wonderful summer and look forward to continuing to share much נחת from your children in future years!

With all our best wishes,
