

Welcome to Tecumseh Public Schools

Tecumseh Public Schools is located in Tecumseh, Oklahoma, approximately 45 miles south and east of Oklahoma City. Our district covers roughly 90 sq. miles and serves approximately 2,100 students in Pre-K through 12th grade at six different sites throughout our community.

These sites include the following:

Tecumseh Early Childhood Center	Pre-K and Kindergarten
Barnard Elementary School	1 st and 2 nd Grades
Cross Timbers Elementary	3 rd , 4 th and 5 th Grades
Tecumseh Middle School	6 th , 7 th and 8 th Grades
Tecumseh High School	9 th , 10 th , 11 th and 12 th Grades
College, Career and S.T.E.A.M. Center	District

Our District serves as the Local Education Agency (LEA) for the Little River Coop which involves five other schools located in the southern part of Pottawatomie County. We offer a wide variety of classes and programs to our students that allow each one to be well prepared and to find their niche in academics, fine arts, vocational programs S.T.E.A.M. and athletics. The students and staff of Tecumseh Public Schools continue to work extremely hard to meet each individual student goal, district and state goal.

While the challenges are great, together we can make them happen for our children.
