April 2023

Dear Charlestown Families,

The students at Charlestown Middle School will be participating in the New Hampshire State Assessment in Math and English Language Arts in May. Our 8th graders will also be participating in the Science assessment. If you would like more information about the New Hampshire State Assessment System, please visit the site at <https://nh.portal.cambiumast.com/index.html>. There is a student and families [link](#) in the left hand column that gives access to practice and training tests along with student and family resources.

You can best help your child prepare for the assessment by making sure that they are well rested on the days the tests will be given and to school on time. The assessment schedule is outlined on the bottom of this letter. Please reach out if you have any questions or concerns. Thank you for supporting your child and our school during the testing period!

Kind Regards,

Jenna Brown
