

What is FCCLA?

FCCLA stands for: Family, Career and Community Leaders of America. FCCLA is a student organization that is recognized at the Local, State, and National level.

A few ways FCCLA helps Students...

- To Develop career skills and learn to balance career and family responsibilities.
- Improve self-esteem.
- Develop a personal leadership style.
- Identify concerns, make decisions, and carry out activities.
- Further explore, careers in the Family and Consumer Science field.

Commitment to FCCLA

- Pick a project that you qualify for, complete the project, prepare to present, and create a schedule with Ms. Sailer (to work on projects).
- Monthly group meetings and Monthly Leadership team Meetings.
- Local competition is at Western Technical College in the Spring.
- \$15.00 (covers, cost to affiliate), Local competition cost will be absorbed through fundraisers (Pie Sale, and Cookie Sale) for students who develop a project and show their commitment. Otherwise the cost will be the students' responsibility.

What else?

- Leadership opportunities are available at the local and state level that students will be eligible to apply and run for next school year if interested.
- Students who are in FCCLA must have taken a FACE class.
- Students who do well at local competition a 90% or better, are eligible to attend and compete at the State Level. State is April 15-17th at Kalahari Resort in the Wisconsin Dells; the cost of state has not been announced. (If students qualify for state, we will look into more fundraising, to help reduce the cost.)
- Need More info? Go to <http://www.fcclainc.org/> and talk with Ms. Sailer
