

# Tiger Robotics

**2019-2020  
Season**

**Robotics  
Signup**

Are you going to be a 4<sup>th</sup>-8<sup>th</sup> grade student next year? Do you like robots, and computers? If your answers to these questions is yes then come join our growing crew of future engineers as they design, build, program and compete with robots. Registration for the 2019-2020 Robotics Season has already started.

1. Requirements for membership
  - a. Fill out registration form  
<https://forms.gle/xRz4vXds7Q339tGCA>
  - b. Attend a parent meeting in the fall
  - c. Sign a volunteer agreement and waiver
  - d. Register Before June

You will be competing in the VEX IQ league. Season runs from late August – February with the chance to move to larger tournaments in April. Travel to multiple tournaments over the course of the season and team up with some of the best robots in the state. Practices afterschool or in the evening. Elementary teams are coached by parents. Most middle school teams are coached by middle school staff. Team members get a T-shirt and bus rides to out of town tournaments. Membership is **FREE**, as long as volunteer requirements are met.
